

## EMPLOYMENT OPPORTUNITY

**Closing Date:** 06.05.2024

### **BOAT PATROLLER (TERM) CROSS LAKE (JENPEG), MB**

Manitoba Hydro is consistently recognized as one of Manitoba's Top Employers!

#### **Great Benefits**

- Competitive salary and benefits package.
- Defined-benefit pension plan.
- Nine-day work cycle which normally results in every other Monday off, providing for a balanced approach to work, family life and community.

Manitoba Hydro is a leader among energy companies in North America, recognized for providing highly reliable service and exceptional customer satisfaction. Join our team of Manitoba's best as we continue to build a company that supports innovation, commitment and customer service.

We are now accepting applications for a term Boat Patroller position under the Waterways Management Program for five-month period extending from May to October 2024.

Under the direction of the Waterways Management Program team, you will implement core-objectives of the Waterways Management Program in Cross Lake (Jenpeg) resource area.

Make waterways safe for navigation by finding and removing floating debris hazards from boat patrolled waters. Collect and maintain information to monitor effectiveness and efficiency of patrols in maintaining safe waters for navigation and for increased program effectiveness.

#### **Responsibilities:**

- Perform routine inspections of boat patrol routes assigned and ensure that all problem areas are thoroughly covered.
- Responsible for the care and use of tools and equipment.
- Collect and organize technical data using digital cameras, GPS, laptop computer, and related software programs.
- Work cooperatively with other Hydro personnel and resource users.
- Must prepare detailed reports and make recommendations on issues observed and reported to operations area.
- Layout work areas, inspect and report on works performed by various communities.
- Interpret and enter data on maps and prints of Resource Area.
- Establish and maintain close liaison with the community in work related matters and issues.
- Keep abreast of community perceptions and attitudes to deal effectively with the community, especially issues of a high sensitivity.
- Establish and maintain detailed records and diaries of observations, meetings, and discussions.
- Originate and recommend new ideas and means for improving efficiency.

#### **Qualifications:**

- Minimum Grade 10 and one year experience related to the duties of this position.  
OR
- A combination of education, experience, and traditional knowledge of the local community.
- Demonstrated Indigenous Traditional Knowledge; including knowledge of Northern Cree culture and language and familiar with significant cultural sites and landmarks within the respective area.
- Capable of operating all tools and equipment required by the position including chainsaws, outboard motorboats, snowmobiles, and ATV's.
- Demonstrate the necessary computer skills to perform regular duties as required.
- Able to collect and organize technical data using digital cameras, GPS, tablets, laptop computer, and related software programs.
- Able to work effectively as a team member as well as independently with minimal supervision.
- Ability to communicate well both verbally and in writing.

MANITOBA HYDRO IS COMMITTED TO DIVERSITY AND EMPLOYMENT EQUITY

- Must be willing to travel to various work locations on limited notice.
- Physically capable of performing all the duties of the position.
- Experience and familiarity with open water travel conditions, safe travel routes, water flows, and practices within Jenpeg resource area.
- Must possess a valid class 5 Manitoba Drivers Licence.

**Salary Range**

Starting salary will be commensurate with qualifications and experience. The range for the classification is \$20.27-\$28.28 Hourly.
