

Centre for Forest Interdisciplinary Research

Symposium

Renewing Knowledge and Collaboration

Friday 28 April, 2017

8:30 am - 2:30 pm

The University of Winnipeg

2M70 Manitoba Hall

A forum for faculty, students, industry, government, NGO's and communities to gather and share knowledge on forest ecosystems, communities and policy in Manitoba, within the global forest land management context. All are welcome, but space is limited.

RSVP to:

Ryan Bullock

Director, Centre for Forest Interdisciplinary Research

The University of Winnipeg

515 Portage Avenue, Winnipeg, Manitoba, Canada R3B 2E9
