

THE UNIVERSITY OF  
WINNIPEG

2024-2025

Undergraduate Viewbook

# The University of Winnipeg

# Start Here

**Whether you want to change the world or nurture your own neighbourhood, UWinnipeg is the place to begin. Connect with open-minded learners, caring professors, and brilliant researchers. Inspire – and be inspired by – others who share your passion to do something special. Thrive in a supportive, diverse learning environment where your success is celebrated.**

## Land acknowledgement

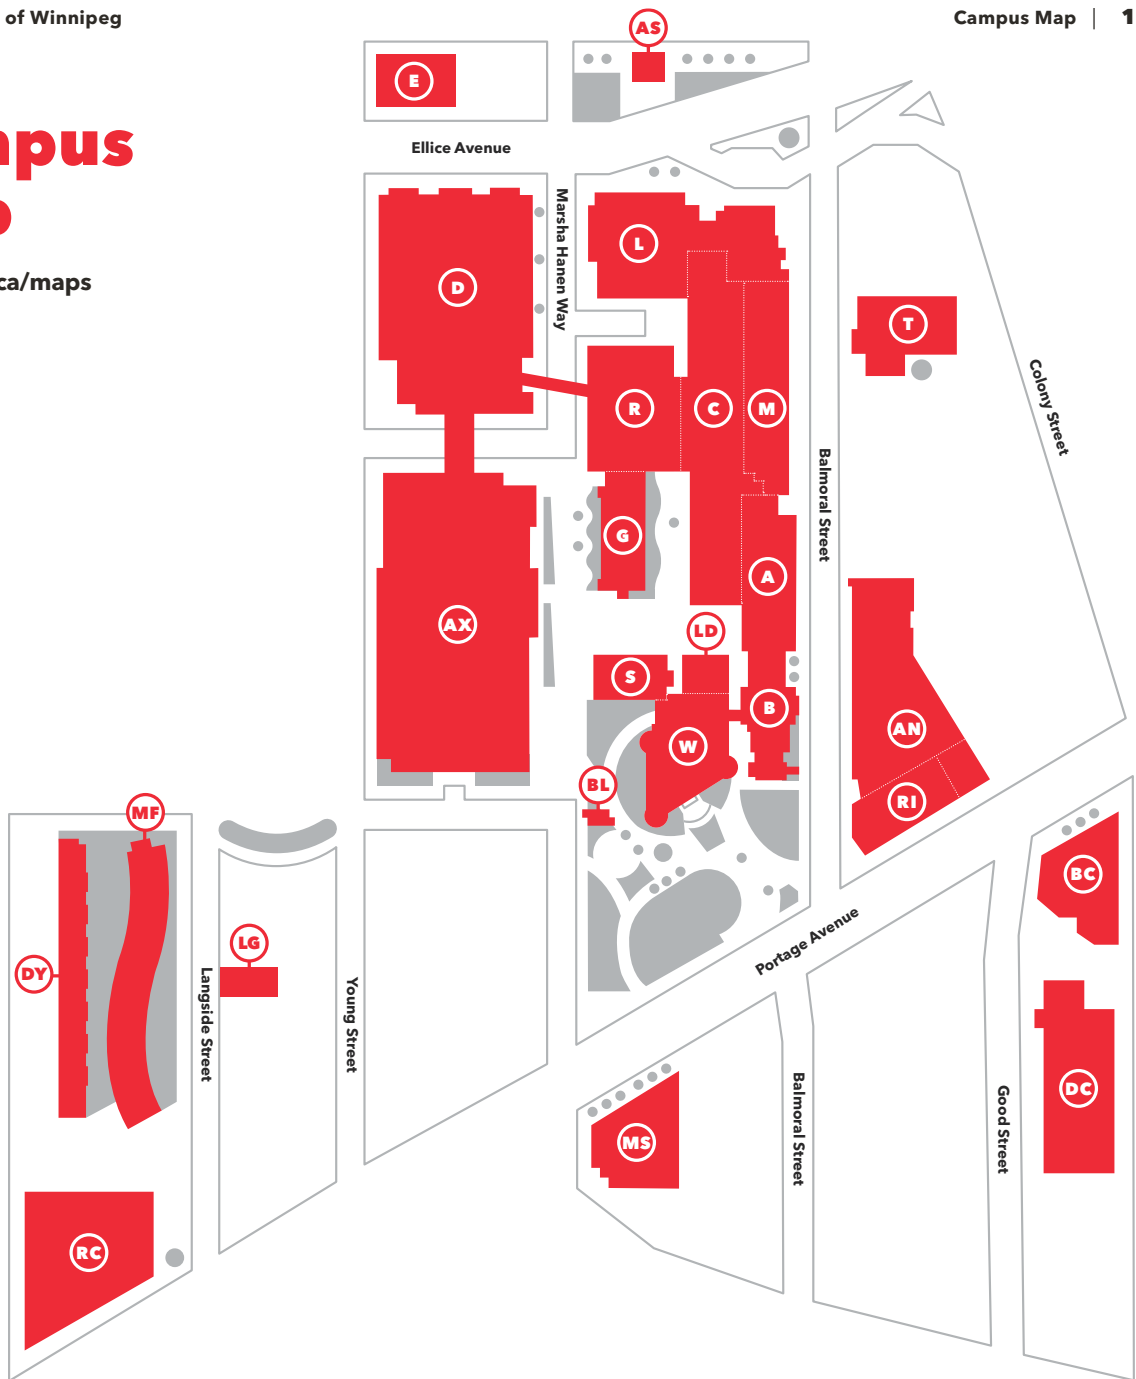

We acknowledge that we are gathered on ancestral lands, on Treaty One Territory. These lands are the heartland of the Métis people. We acknowledge that our water is sourced from Shoal Lake 40 First Nation.

## Welcome to The University of Winnipeg!

In these pages, you'll find out who we are, all that we offer, how to apply, and what you need to know about our diverse, environmentally-friendly campus. We look forward to having you join the UWinnipeg community.

# Learn, Grow, and Belong

**No one wants to be considered just a number. Thanks to our small class sizes, caring professors, and compact campus layout – you won't be. We encourage individuality within an environment that fosters a true sense of belonging. Here, you will make real and meaningful connections.**

With a diverse mix of people, cultures, and ideas, our campus is a place of inclusion. Our community includes students from around the world, brilliant researchers pursuing amazing discoveries, and passionate learners who walk, cycle, and ride downtown each day. This diversity fosters idea-sharing and promotes understanding. It also creates a unique environment in which to make new and lasting friendships. At UWinnipeg, it's all about the magic that comes from people connecting with other people.

## 25:1

The estimated  
student-to-professor  
ratio at UWinnipeg.

Your professors will get  
to know you by name –  
that's the beauty of a  
small campus community.

# Prepare to Make an Impact

**It might happen in a lab or out in the field. It could be sparked by a classroom discussion about reconciliation or sustainability. It may stem from the desire to cure a disease or help people live healthier lives. Whatever inspires you, get ready to make your mark on the world.**

Research at UWinnipeg takes many forms. We have scientists working on important medical advances – like tests that will detect cancer sooner. Others are looking into ways of protecting the environment and combating the stigma of mental illness. Our researchers are breaking new ground, and our students are helping them lead the way, via hands-on research opportunities. Whether your passion takes you into the lab or to the heart of an important issue – get ready to make your impact.

# 10

**UWinnipeg is  
home to ten Canada  
Research Chairs.**

**The Prairie Climate Centre  
on campus provides  
data and research to help  
organizations prepare  
for the impact of  
climate change.**

## ⊕ **Mohamed Crossman-Serb**

Doing university his way meant Mohamed Crossman-Serb taking on a double major in Chemistry and Kinesiology with room to explore the great outdoors. As an overachiever, he used his knowledge to push himself gaining invaluable experience working alongside Dr. Nora Casson on the influences of climate change on water quality. Combining his love for the outdoors and his academic knowledge, Crossman Serb is now the director and co-founder of a non-profit organization called Waterways Recreation, creating programs that support community wellness through outdoor recreation. Crossman-Serb credits The University of Winnipeg for encouraging him to excel at what he loves.

# Make the Most of Your Experience

**Embrace university life in a way that fits you best. Open your heart and mind. Try new things. Make new friends. Give and accept support when needed. Have fun. Above all – make the most of every opportunity that comes your way.**

Something is always happening at our vibrant downtown campus to feed your mind, body, and spirit. Cheer on our Wesmen athletes (who've won 20 national championships). Practice yoga or work out. Take in an art exhibit or a public lecture. Experience our annual Duckworth Great Rock Climb, a UWinnipeg tradition. And enjoy some of the best, most sustainable campus meals in North America, provided by our award-winning Diversity Foods Services.

## 55+

**There are more than 55 student groups on campus. Get involved – there's something for everyone.**

**Unlimited access to athletic facilities is available to all full-time students.**

# Gain a New Perspective

**Our campus is located in one of Canada's most diverse neighbourhoods. This is fitting – as we are proud to be a welcoming community that embraces diversity and inclusion.**

We all benefit when we learn from one another – enriched by the sharing of culture, knowledge, and ideas. UWinnipeg proudly welcomes learners from around the world and is inspired by wisdom and guidance from its Indigenous Advisory Circle. Each year, we honour our community's incredible diversity at major celebrations like Cultural Night, the Graduation Pow Wow, and Pride Week. These activities are not only valuable occasions to learn something new. By embracing these opportunities, you are getting ready to discover other worlds and make new friends.

**UWinnipeg is one of the first universities in Canada to ensure all students have foundational knowledge of Indigenous people and culture. And we're proud to say the idea came from our students.**

## 10%

**A growing number of our first-year students self-identify as Indigenous: First Nations, Métis, or Inuit.**

**UWinnipeg and the World University Service Canada (WUSC) Local Committee have sponsored and resettled more than 60 young refugees from overseas in our 40+ year partnership**

➔ **Sharissa Neault**

Psychology student Sharissa Neault customized her university experience to get the most out of her academics, student life, and culture. Filled with ambition, she became the president of The Canadian Indigenous Science and Engineering Society, helping other Indigenous students reconnect with their cultures within academia. In her spare time, Sharissa works alongside the Manitoba Indigenous Cultural Education Centre to share Ininimowin (Cree) with others on TikTok, inspiring Indigenous youth to identify with their culture and language. All of her hard work peaked when she spoke her native language in her valedictorian address to supportive faculty and the class of 2022.

# Rise to Any Challenge

**The beauty of learning is that it can happen in a variety of ways. We often think of being in the classroom, using a textbook. But it also happens while doing research in a lab – or getting experience in a workplace. It can take hold through video, a lecture, or a conversation.**

Here, you'll learn from caring professors, helpful mentors – and one another. You will learn to ask questions and think critically. You will encounter new ideas and also explore traditional ways of knowing. You will discover there are different approaches to any challenge. You will gain valuable knowledge. And you will develop important skills to prepare for success. At UWinnipeg, we are dedicated to providing the tools required for a bright, productive future. So you can go out and make a difference.

## 400+

UWinnipeg offers 400+ courses in more than 50 fields of study.

UWinnipeg grads get hired – they have an employment rate of 95.9% two years after graduation.

A man with dark hair and glasses, wearing a white lab coat, is looking through a white and black compound microscope. He is adjusting the focus knob with his right hand. A smartwatch is visible on his left wrist. The background is a blurred laboratory setting.

### ⊕ Abinash Meher

From flower petals to cancer cells, Abinash Meher has always been fascinated by numbers in nature. In the lab, he works alongside Dr. Anuraag Shrivastav studying cancer at the molecular level. His experiences have shaped his thinking and given him the tools and perspectives that challenge him to get the most out of his UWinnipeg experience. Outside the lab, you can find him enjoying a coffee with his lab mates at Tim Hortons, cheering on the Wesmen volleyball teams at the Duckworth Centre, or volunteering at Let's Talk Science where he shares his love of math and science with younger students.

# Academic Programs

[uwinnipeg.ca/programs](http://uwinnipeg.ca/programs)

## Faculty of Arts

Classics  
 Conflict Resolution Studies  
 Communications (Joint program)  
 Criminal Justice  
 Dance  
 Disability Studies (Joint program)  
 East Asian Languages and Cultures  
 English  
 German-Canadian Studies  
 History  
 History of Art  
 Human Rights  
 Indigenous Languages  
 Indigenous Studies  
 Interdisciplinary Linguistics  
 Mennonite Studies  
 Modern Languages and Literatures  
 - French Studies  
 - German Studies  
 - Spanish Studies  
 Philosophy  
 Political Science  
 Psychology  
 Religion and Culture  
 Rhetoric and Communications  
 Sociology  
 Theatre and Film  
 Urban and Inner-City Studies  
 Women's and Gender Studies

## Faculty of Business and Economics

Business and Administration  
 - Accounting  
 - Human Resource Management  
 - International Business  
 - Marketing  
 - Operations and Supply Chain Management  
 Economics  
 Economics and Finance

## Faculty of Education

### BA programs

- Developmental Studies  
 - Developmental Studies/  
 Early Childhood Education  
 (Joint Program)

### BEd programs

- Integrated Education Program (concurrent with bachelor's program)  
 - After-Degree Education Program (for degree holders)  
 - Transfer Program  
 - Red River Polytechnic Joint Programs (Industrial Arts, Applied Commerce Education, Technical Vocational Teacher)

### Access Programs

- Community-based Aboriginal Teacher Education Program (CATEP)  
 - Immigrant Teacher Education Program (ITEP)  
 - University of Winnipeg Education Centre (WEC)

➕ UWinnipeg also offers language courses in Arabic, Chinese, Cree, Dutch, Greek (Ancient), Hebrew (Biblical), Italian, Japanese, Korean, Latin, Ojibwe, and Portuguese.

## Gupta Faculty of Kinesiology and Applied Health

Athletic Therapy  
Kinesiology  
Physical and Health Education

## Faculty of Science

Anthropology  
Applied Computer Science  
- Health Informatics  
- Information Systems  
- Scientific Computing  
Applied Environmental Science (Joint Program)  
Bioanthropology  
Biochemistry  
Biology  
Chemistry  
Environmental Studies (BA)  
- Sustainable Urban Environments  
- Sustainable Resource Systems  
Environmental Sciences (BSc)  
- Chemistry  
- Forest Ecology  
- Forest Policy and Management  
- Global Environmental Systems  
Geography  
Mathematics  
Neuroscience  
Physics  
- Chemical  
- Computational  
- Mathematical  
- Medical  
- Radiation Health and Safety  
Statistics  
- Data Science

## Pre-Professional Studies

Pre-Chiropractic  
Pre-Dental Hygiene  
Pre-Dentistry  
Pre-Law  
Pre-Medical Technology  
Pre-Medicine  
Pre-Occupational Therapy  
Pre-Optometry  
Pre-Pharmacy  
Pre-Physical Therapy  
Pre-Physician Assistant  
Pre-Radiation Therapy  
Pre-Respiratory Therapy  
Pre-Social Work  
Pre-Veterinary Medicine

➔ Pre-Professional Programs enable students to fulfil the admission requirements for professional programs at other institutions.

# How to Apply

[uwinnipeg.ca/apply](http://uwinnipeg.ca/apply)

## 01.

### Discover

- › Explore our list of programs on page 12
- › Learn more about the programs by reading their descriptions in the insert (Program Guide)
- › Check out our program factsheets at [uwinnipeg.ca/factsheets](http://uwinnipeg.ca/factsheets)
- › Attend Future Student Night (November) or Open House (February)
- › Book a campus tour
- › Meet with a recruiter for information about programs, admission requirements, and the online application
- › Email [welcome@uwinnipeg.ca](mailto:welcome@uwinnipeg.ca) to sign up for our monthly e-newsletter
- › Follow us on Instagram to stay connected: [@uwinnipegrecruit](https://www.instagram.com/uwinnipegrecruit)

## 02.

### Apply

- › Review the admission requirements on page 16 or on our website: [uwinnipeg.ca/future-student](http://uwinnipeg.ca/future-student)
- › Visit [uwinnipeg.ca/apply](http://uwinnipeg.ca/apply) to create your account and apply
- › Pay the \$100 application fee
- › Submit supporting documents when requested by the Admissions Office (through the application portal)
- › Apply for scholarships and awards

## 03.

### Next Steps

- › Watch for your official Letter of Acceptance, sent to your email
- › Check the confirmation email you receive after applying for admission to retrieve your user ID and password
- › Log in to WebAdvisor to access Student Planning, where you plan your courses and register for them
- › Set up an appointment with an Academic Advisor
- › Attend a Getting Ready for First Year session and/or First Year Information session
- › Register and attend Orientation
- › Pay your tuition fees before the start of classes

# First-Year Tips:

Things to consider before you apply

## Deciding What to Study

- › Start directly in the area/subject that interests you
- › You can sample other courses in your first year
- › All courses taken in the first year count towards your degree

## Applying for Admission

- › You don't choose your courses when you apply for admission
- › When you apply, select a faculty and a major (for example, Faculty of Arts – Psychology), along with a degree option (3-year, 4-year or Honours)
- › You can change your major/degree plan during your studies

## Choosing First-Year Courses

- › Students starting in September register for courses in June or July
- › Select a variety of courses including those that count towards your general degree requirements and other courses of interest.
- › Create your own schedule. Full-time students take 3-5 courses each term

## Resources for Accepted Students

- › The factsheets ([uwinnipeg.ca/factsheets](http://uwinnipeg.ca/factsheets)) provide lists of suggested courses to take
- › FYI Sessions – to learn more about registering for courses and creating a schedule, visit [uwinnipeg.ca/fyi](http://uwinnipeg.ca/fyi)
- › Academic Advisors are available for drop-in appointments
- › Online guides and videos outline each step of the course selection process at [uwinnipeg.ca/student](http://uwinnipeg.ca/student)

# Admission Requirements

**[uwinnipeg.ca/future-student](http://uwinnipeg.ca/future-student)**

UWinnipeg students bring diverse experiences and backgrounds to our vibrant community. Whether you are a Manitoba student completing high school, an adult learner, a second degree-seeker, or from another province, we welcome you.

## Manitoba High School Students

**Regular requirements for programs in all faculties (except the Faculty of Education):**

Current high school students graduating in June, or high school graduates, should have at least 30 Manitoba high school credits, including:

- › Five credits at the Grade 12 level (40 S, G or U). Three must be 40S. Physical Education 40F cannot be used as one of the five courses.
- › Present at least one credit of core English 40S (Comprehensive, Literary, or Transactional Focus) and one credit of core Mathematics 40S (Pre-Calculus, Applied, or Essential).
- › Have a minimum 65% admission average, calculated using:
  - One English 40S
  - One Mathematics 40S
  - One other 40S credit from a different subject area

The highest grade will be used for each required course, if more than one option is available.

Some programs have prerequisite courses, which can be found with each program description, if applicable. See the Program Guide (insert), view program factsheets online at [uwinnipeg.ca/factsheets](http://uwinnipeg.ca/factsheets), or visit [uwinnipeg.ca/pre-req](http://uwinnipeg.ca/pre-req). Students lacking prerequisite courses can take foundational courses at UWinnipeg or enrol in an adult educational centre.

There are many types of students looking to study at UWinnipeg, at all stages of their academic path. For other admission categories, including mature, transfer, and homeschooled, visit: [uwinnipeg.ca/admissions-req](http://uwinnipeg.ca/admissions-req)

## Français/French Immersion Students

In place of English 40S, Français and French Immersion students may present Anglais 40S or Français 40S to calculate the admission and entrance scholarship averages.

## AP & IB Credits

UWinnipeg recognizes the Advanced Placement (AP) and International Baccalaureate (IB) secondary school programs, and will take these courses into account when considering admission requirements, scholarships, and university credit. Transfer credit is awarded for more than 25 AP courses and more than 20 IB courses.

In addition to transfer credits, students receive awards for successful completion of AP and IB exams.

Visit [uwinnipeg.ca/ap-ib](http://uwinnipeg.ca/ap-ib) for more information.

➡ The language of instruction at UWinnipeg is English. If English is not your first/primary language and you are not from an English-exempt country, you must provide supporting documentation to show you meet one of the required conditions.

Visit [uwinnipeg.ca/language-req](http://uwinnipeg.ca/language-req) for more information.

## Faculty of Education Admission Requirements

[uwinnipeg.ca/education-apply](http://uwinnipeg.ca/education-apply)

The Faculty of Education's Integrated program is a limited enrolment program and there is a selection process for each category. Refer to the English/Math Combination Chart below to check eligibility and to see how the admission average will be calculated.

Admission to the Integrated Education program is competitive, and students who are not admitted may be offered general admission into another UWinnipeg faculty, where they can start a program in their desired teachable areas and then apply to transfer into the Faculty of Education the following year.

### English/Math Combination Chart

English	Pre-Calculus Math	Applied Math	Essential Math
<b>2 Credits of English</b> -or- <b>English/Anglais &amp; Français</b>	<b>Eligible</b> ✓	<b>Eligible</b> ✓	<b>Eligible</b> ✓
<b>1 Credit of English</b>	<b>Eligible</b> ✓	<b>Not Eligible</b> ✗	<b>Not Eligible</b> ✗

#### Note:

1. Essential Mathematics 40S cannot be used to calculate the admission average. Advanced Placement and International Baccalaureate courses can be used to calculate Education admission and entrance scholarship averages.
2. Elementary stream: Students who have not successfully completed either Applied or Pre-Calculus Mathematics 40S will be required to take an additional non-credit mathematics course to meet the math prerequisite for the mandated math course in the program OR take an entrance test to determine if they meet the math prerequisite. For more information, please contact the Faculty of Education at 204.786.9491 or [education@uwinnipeg.ca](mailto:education@uwinnipeg.ca).

### How is the admission average calculated?

For those with the eligible combination of English and math, the higher grade of either the combined English credits or the math credit will be combined with two courses from the Approved List on the next page.

#### Example 1:

- › English Comp Focus 40S: 75%
- › English Literary Focus 40S: 79%
- › Applied Math 40S: 85%

The combined English grade is 77% and so the higher Applied Math grade of 85% will be used along with two Approved List courses.

#### Example 2:

- › English Transactional Focus 40S: 84%
- › Français 40S: 80%
- › Pre-Calculus Math 40S: 75%

The combined English and Français grade of 82% is higher than the Pre-Calculus grade, and so that will be used along with two Approved List courses.

For students with only one English 40S, the average will be calculated using the Pre-Calculus Math and two Approved List courses.

**Approved List of Grade 12 Courses**

The following courses can be used to calculate the average for entrance into the Faculty of Education:

Accounting Systems

Anglais

Art

Biology

Chemistry

Chinese (Cantonese) 41G

Chinese (Mandarin)

Cinema as a Witness to Modern History

Computer Science

Cree/Ojibway/Saulteaux 41G

Current Topics in First Nations, Métis, and Inuit Studies

Dramatic Arts

Economics

English (two credits)

Family Studies

Filipino

Français

French

Geography

German

Global Issues: Citizens and Sustainability

Hebrew

History of Western Civilization

Italian

Japanese

Latin

Law

Mathematics (Applied or Pre-Calculus)

Music (one of: Band, Choral,  
Guitar, Strings, Private Music Option)

Physics

Polish

Portuguese

Psychology

Spanish

Ukrainian

World Issues

World Religions

All courses 40S unless otherwise indicated

# Student Services

[uwinnipeg.ca/student-services](http://uwinnipeg.ca/student-services)

We're known for our strong student supports. Here, you'll have access to a wide variety of free student services to support you in your studies.

## Academic and Career Advising

[uwinnipeg.ca/academic-advising](http://uwinnipeg.ca/academic-advising)

We are dedicated to helping you reach your academic and career goals. Meet with an academic advisor every year throughout your studies to get the most out of your degree plan. If you would like to explore your career options or learn more about how your degree relates to a career in your chosen field, you can meet with a career advisor, who can also help with employment services like résumé writing and interview skills.

## Accessibility Services and the Accessibility Resource Centre

[uwinnipeg.ca/accessibility-services](http://uwinnipeg.ca/accessibility-services)

If you are a student who requires Accessibility Services (AS) including adaptive and/or accommodation services, you can declare your interest in receiving information about AS on your application (centre located in 1M35, on the first floor of Manitoba Hall).

## Adult Learner Services

[uwinnipeg.ca/adult-learner-services](http://uwinnipeg.ca/adult-learner-services)

If you are a new student who has been out of school for three or more years and do not meet the regular admission requirements, you qualify for mature status. Turn skills gained through work and life experience into university acceptance and credit.

## Awards and Financial Aid

[uwinnipeg.ca/awards](http://uwinnipeg.ca/awards)

Find out how to finance your studies and how to apply for scholarships, awards, bursaries, and government student aid.

- ➦ The majority of our Student Services departments are located at **489 Portage Avenue**, in the Rice Centre, across the street from the main campus.

## Student Wellness

[uwinnipeg.ca/student-wellness](http://uwinnipeg.ca/student-wellness)

Comprehensive general and specialized counselling and health services are provided to all students for free at the Wellness Centre, located on the first floor of Duckworth Centre (1D25). Klinik on Campus offers free and confidential health information, workshops, and medical appointments.

## Aboriginal Student Services Centre (ASSC)

[uwinnipeg.ca/assc](http://uwinnipeg.ca/assc)

A hub of excitement and a vibrant gathering place for educational, cultural, and social activities, the ASSC strives to create a sense of community for Indigenous students throughout their studies. The student lounge has a computer lab, lockers, and a kitchen facility, and is open seven days a week. Supports include Elders-in-Residence, free tutoring, and academic advising.

## International, Immigrant and Refugee Support Services (IIRSS)

[uwinnipeg.ca/iirss](http://uwinnipeg.ca/iirss)

IIRSS was created to provide a safe, educational, and culturally sensitive environment for all international, immigrant, refugee, and newcomer students as they pursue their academic studies, from admission through to graduation. Take advantage of the social and cultural activities as well as the support and advising that IIRSS provides.

## Programs offered through ASSC & IIRSS:

### › Transition Year Program

The transition to post-secondary studies may be challenging for some high school students and mature adult learners. The Transition Year Program (TYP) has been developed to assist students in building the academic and personal coping skills necessary for post-secondary success.

### › Mentor Program

Open to any new student, including international, visiting and exchange students, newcomers, rural Canadians, adult learners, and any other student who wants to meet new people, get some extra help and learn new things about UWinnipeg and living in the city.

# Campus Living

[uwinnipeg.ca/campus-living](http://uwinnipeg.ca/campus-living)

Living in residence at UWinnipeg gives you the opportunity to live on your own, without being alone. You'll meet students from across Canada and around the world, establish lifelong friendships, and get involved in a variety of activities around campus and in the surrounding area.

## Residence Options

McFeetors Hall offers modern, air-conditioned dorm-style units with a private washroom, common lounge areas with a TV, kitchen and free Wi-Fi, study areas, and laundry facilities. Room options include single and double furnished dorms.

The Balmoral Houses feature shared common areas and private bedrooms with air conditioning.

Other options include family housing in McFeetors Hall as well as Downtown Commons, a mixed-use apartment complex across from the main campus.

## Residence Options and Fees for One Academic Year (September-April)

<b>McFeetors Hall</b> Single furnished dorm with meal plan	\$10,985
<b>Balmoral Houses</b> Single furnished dorm	\$5,560

# Scholarships and Bursaries

[uwinnipeg.ca/awards](http://uwinnipeg.ca/awards)

## Entrance Awards and Scholarships

	Eligibility	Value	How to Apply
<b>Special Entrance Scholarships</b>	Recent high school graduates with admission grade average of 85% or higher	85-89.9% - \$1,100 90-94.9% - \$1,750 95-100% - \$2,250	Submit your admissions application before March 1
<b>Applied for Entrance Awards</b>	Variety of criteria such as community involvement, leadership experience, etc.	Varies	Submit your application and log in to the awards portal to apply by March 1
<b>IB Entrance Scholarship</b>	International Baccalaureate Diploma with 30+ points, with no grades below four	\$2,250	Automatic consideration
<b>AP Program Entrance Scholarship</b>	Achieve the Advanced Placement Scholar with Distinction	\$2,250	Automatic consideration
<b>AP Transfer Credit Scholarship</b>	Admitted directly from high school and transfer exam results toward undergraduate studies	\$250 for each AP exam result of 5 \$150 for each AP exam result of 4	Submit a Request to Transfer Credit form before October 31 of first year
<b>IB Transfer Credit Scholarship</b>	Admitted directly from high school and transfer IB exam results towards undergraduate studies	\$250 for each IB final result of 7 (HL) \$200 for each IB final result of 6 (HL) or 7 (SL) \$150 for each IB final result of 5 (HL)	Submit a Request to Transfer Credit form before October 31 of first year

## In-Course Awards and Bursaries

First-year and continuing UWinnipeg students are eligible for a wide range of awards, bursaries, and prizes in the fall term. The online awards portal automatically matches students to awards based on their student record. Be sure to log in to provide additional information required for many in-course awards and bursaries.

🕒 It is now easier to apply for awards with our online application: [uwinnipeg.ca/awards/apply-for-awards](http://uwinnipeg.ca/awards/apply-for-awards)

## Opportunity Fund Bursary and General Bursary

Bursaries are available to current full-time students with a financial need and a minimum GPA of 2.0. The Opportunity Fund is a unique UWinnipeg initiative and endowment that supports bursaries for Indigenous, low-income and refugee students, as well as those from war-affected countries, recent immigrants, and mature learners. General Bursaries for other domestic students are supported by UWinnipeg to supplement living costs while studying.

## Government Student Aid

### Federal and Provincial Student Aid

Provincial and federal student aid and loans are the best options for students who are unable to cover their tuition and living costs while studying. Applying online is easy and the Awards office is here to help.

If you are approved for student aid, you will automatically be considered for grants and bursaries. Your student loan will not need to be repaid while you study full-time.

Obtaining government student aid could mean having **more time to study**. With tuition and living expenses covered through grants, bursaries, and loans, you won't need to sacrifice study time to earn money at a job during the academic year.

# Tuition and Fees

[uwinnipeg.ca/tuition](http://uwinnipeg.ca/tuition)

Exact tuition fees are determined by the number of courses taken and the faculty that offers them. Five courses per term, or 30 credit hours per academic year, is the maximum course load. Full-time status requires a minimum of three courses per term (18 credit hours per academic year).

## Estimated Tuition and Fees for One Academic Year (September-April)

### 5 Courses Per Term (maximum course load)

<b>Tuition–5 Courses</b> (30 credit hours in any faculty)	\$4,370-\$5,010
<b>General Fees, Books, and Supplies</b>	\$2,100-\$2,300
<b>UWSA Health Insurance</b>	\$495
<b>U-Pass</b> (Unlimited transit access)	\$430
<b>Total</b>	<b>\$7,395-\$8,235</b>

### 3 Courses Per Term (minimum course load for full-time status)

<b>Tuition–3 Courses</b> (18 credit hours in any faculty)	\$2,620-\$3,005
<b>General Fees, Books, and Supplies</b>	\$1,500-\$1,700
<b>UWSA Health Insurance</b>	\$495
<b>U-Pass</b> (Unlimited transit access)	\$430
<b>Total</b>	<b>\$5,045-\$5,630</b>

**Note:**

1. All fees are estimated for the 2023/24 academic year and are subject to change. Some programs may include additional costs. All figures in Canadian dollars.

## Stay Connected

### Talk to a Recruiter

Have a question? Our recruitment officers are available by phone, email and in-person to give you more information on programs and admission requirements, provide an overview of scholarships, and answer any questions about the online application. Email [welcome@uwinnipeg.ca](mailto:welcome@uwinnipeg.ca) and we'll be in touch.

### Future Students Newsletter

If you would like to receive more detailed information about UWinnipeg students, academics, and achievements, email [welcome@uwinnipeg.ca](mailto:welcome@uwinnipeg.ca) to get the newsletter in your inbox.

## Upcoming Events

### Future Student Night

[uwinnipeg.ca/fsn](http://uwinnipeg.ca/fsn)

November 28, 2023

Join us for an interactive evening where you can talk to professors, current students, and staff about the outstanding opportunities available to you.

### Open House

[uwinnipeg.ca/openhouse](http://uwinnipeg.ca/openhouse)

February 21, 2024

This event is a great starting point for future students who want to learn more about UWinnipeg programs and opportunities.
