APPLICATION PROCEDURES

All applicants complete the attached “**Application for Admission**” form. The receipt of all required materials is due by **4:30 p.m.** on the deadline date or the next business day if the deadline falls on a weekend or holiday. Incomplete applications are not forwarded to the departments for review. To meet the submission deadline, e-mails and faxes are accepted forms of transmission except for transcripts/evidence of degrees awarded.

- Official academic transcripts** for all previous academic work, whether having graduated from the Institution or just having taken courses there, sent directly from the issuing institution(s). If the transcript does not show that a completed degree has been conferred, an official/notarized copy of your diploma is also required. Transcripts must arrive in sealed, endorsed envelopes issued by the home institution(s) in order to be considered official.
A 4-year Bachelor degree* from a recognized post-secondary institution with an overall GPA of 3.0* is the minimum requirement. An Honours Bachelor degree, or a Master’s degree will be considered an asset. Related training (e.g., a Counselling Certificate) is also an asset.
* A 3-year Bachelor degree or a GPA lower than 3.0 may be considered. Please submit Form B.
NOTE: Transcripts in languages other than English and French should include a certified English (literal) translation submitted in a sealed envelope with the official stamp and signature of the translator or notary across the seal.
- Three References** (forms included in this package): 1) from an academic advisor or other person with information on your capacity to do Master’s level academic work, 2) from an employer or supervisor, and 3) from a person who is qualified to comment on your academic, professional background, and/or your suitability for the program. Official/formal letters of recommendation must be received in a sealed envelope with the referee’s signature across the seal, and can be sent directly to the Graduate Admissions Office or be part of the application.
- The **application fee** (non-refundable): \$90.00 for domestic applicants, \$110.00 for international applicants.
- A **Resume**: Be specific about employer and volunteer work including dates and whether full or part-time, including percentage part-time. Ideally the resume will give evidence for two or more years of employment or volunteer work connected to therapy and/or with families.
- An **Essay**: A brief autobiography (2 – 5 pages) including a description of your family of origin (i.e., the family in which you grew up), cultural background, health and educational history, and how some or all of that influenced your wish to be a marriage and family therapist. The essay should also include the ways that significant events and/or relationships influenced your development and/or your view of relationships. Your capacity to be self-reflective will be evaluated, not the content of the life experience.
- (For International Students Only) An official **TOEFL** or **IELTS** score: If English is not your first/primary language and you are not from an English Exempt Country, you must provide a minimum TOEFL iBT score of 100, with a score of at least 22 on the writing and speaking component, or PBT score of 600. Alternately, a minimum IELTS score of 7.5 based on the Academic Module is required. English language tests older than two years from the date of application will not be considered. For a complete list of exempt countries please refer the link: <http://www.uwinnipeg.ca/future-student/international/lang-req.html>.

REVIEW PROCESS OF APPLICATIONS

Applicants are ranked by points that are allocated in the following categories:

- Previous academic performance as shown on transcripts
- Employment and volunteer experiences, especially in the field of helping profession
- Letters of reference endorsing the applicant
- Ability demonstrated through an autobiography to reflect on self and recognize family processes
- Bonus points are given for qualities which add to the program: a) fluency in the language(s) of a Manitoba population group that needs family therapy services, b) meeting a program need (e.g., solving diversity imbalance problem).

The applicants are ranked based on the number of points earned from the application. Interviews are scheduled from among those who rank more highly. More than the number we can accept will be interviewed. The points assigned for the interview will be added to the points earned from the application to rank the applicants. Those with higher rankings will be offered acceptance for Fall 2017.

**MASTER OF MARRIAGE AND FAMILY THERAPY PROGRAM
FORM A – Full-Time Study Request**

The Master of Marriage and Family Therapy program at the University of Winnipeg is not currently structured for full-time study. Under extenuating circumstances, when part-time study is not possible, we would accommodate a student's need for a full-time study. Please briefly describe the reasons for your full-time study request.

MASTER of MARRIAGE AND FAMILY THERAPY PROGRAM
FORM B - Request for Exemption

The minimum admissions requirement for Graduate Studies at the University of Winnipeg is a 4-year Bachelor's degree with an overall GPA of 3.0. The Master of Marriage and Family Therapy program will consider a 3-year Bachelor degree or an overall GPA lower than 3.0 if the applicant presents significant life challenges and circumstances that prevented them from meeting these minimum requirements and if they demonstrate the ability/potential to successfully perform Master's level work.

1. Please briefly describe the reason(s) that you do not meet the minimum requirements.

2. Please provide some examples that demonstrate your ability/potential to successfully perform Master's level work (e.g., earned a grade of an A in all courses taken during the last year of university, taken a few Master's level courses elsewhere and earned A grades, published an article in a peer-reviewed journal, extensive work experience in the field, etc.).
