## LIMITED-TERM FACULTY POSITION IN THE BIOLOGY DEPARTMENT, UNIVERSITY OF WINNIPEG

The Department of Biology at the University of Winnipeg invites applications for a 12-month limited-term appointment at the rank of Assistant Professor from August 1, 2014 to July 31, 2015, to teach over three semesters, fall, winter, and spring; the core, 2<sup>nd</sup>-year ecology course (BIOL 2403-Principles of Ecology) and first-year biology. The Department of Biology is the largest department in the UW Faculty of Science, with 27 faculty members and 7 staff supporting both undergraduate and graduate programs. Additional information on the Department of Biology is available on our website at <http://biology.uwinnipeg.ca/>.

Candidates for the position must hold a PhD in Biology and have a strong interest in undergraduate teaching. Please forward, no later than May 31, 2014, a *curriculum vitae*, a one-page summary of teaching philosophy, and the names of three persons who would be willing to provide a written reference in support of the application to: Pamela Delorme, Office Assistant, Department of Biology, University of Winnipeg, 515 Portage Avenue, Winnipeg, MB R3B 2E9. Alternatively, applications may be e-mailed as attachments to [p.delorme@uwinnipeg.ca](mailto:p.delorme@uwinnipeg.ca).

*The University of Winnipeg is committed to employment equity, welcomes diversity in the workplace and encourages applications from all qualified individuals including women, members of visible minorities, aboriginal persons, and persons with disabilities. In accordance with Canadian Immigration requirements, this advertisement is initially directed to Canadian citizens and permanent residents.*
