

THE UNIVERSITY OF WINNIPEG

The Faculty of Science sciences.uwinnipeg.ca

DEPARTMENT OF ENVIRONMENTAL STUDIES & SCIENCES

The Department of Environmental Studies and Sciences invites applications for a three-year term position at the rank of Instructor. Applicants must have a Master's or a Doctorate degree in an area relevant to the teaching areas outlined below. Candidates are expected to have experience in Environmental Impact Assessment and an understanding of ecological-based management approaches.

The successful candidate will teach a combination of undergraduate courses including: Human-Environmental Interactions, Environmental Sustainability, Environmental Impact Assessment, and Research Methods in Environmental Studies and Science. The successful candidate will have a solid foundation in interdisciplinary environmental practice, a proven teaching record in one or more of the listed course areas, and undergraduate teaching experience. Experience teaching online courses would be an asset. Further information about the Department of Environmental Studies and Sciences can be found at <http://envstudies.uwinnipeg.ca/>.

Subject to budgetary approval, this position will commence on August 1, 2015. Salary levels will be commensurate with qualifications and experience.

The selection committee will begin reviewing applications on May 1, 2015 and continue until the position is filled. Interested candidates should send their current curriculum vitae and a detailed summary of teaching experience, as well as arrange to have three letters of reference sent directly to:

Dr. Richard Westwood
Chair, Departmental Personnel Committee
