

July 2010

Welcome to "Introduction to University" – the online version.

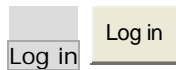

The University of Winnipeg uses WebCT (or Blackboard) to deliver some online courses. This course will use WebCT. You can do the following to access this course in WebCT.

Go to the University of Winnipeg website (www.uwinnipeg.ca) and click on "Student" on the left-hand side-bar. Then scroll down and click on "WebCT." This will bring you to the WebCT logon page. Click on the "Login in to myWebCT" and you will come to the following set of instructions. Please follow them and you will gain access to your course. Please note that for help (see bottom of page) you are classified as a "University of Winnipeg student."

Copy of the instructions for accessing your WebCT course.

WebCT ID/Password for Registered Students in Courses using WebCT

After registration for this Academic (2010/2011) year, you should have received a notice in the mail with a "temporary" computer account consisting of a username/password. You must first "activate" this account:

- Log on to WebAdvisor - the link is on the [UW Homepage](#) - using this temporary username/password
- Change your password - this "activates" your account.
- Passwords must be 6-9 characters long; containing both numbers and letters.
- This username and password can now be used for all UW computing services: WebCT, Learn, email, WebAdvisor, etc.
- If you have lost/misplaced your notice containing info about this temporary account, go down to Student Central to request this info.
- Spring Session Students - you already have your new accounts - keep using that username/password.

Any problems with your usernames/passwords, please call the HelpDesk at 786-9149 or email at help.desk@uwinnipeg.ca

NOTE: if you registered late, it may take a day or two before you are entered into the system and given access.
