

# CANADIAN RISK MANAGEMENT PROGRAM (CRM)

## Part-Time Program

The CRM designation is awarded to students who have successfully completed the three core courses in Risk Management. These core courses also comprise the Risk Management major for the Fellow-Chartered Insurance Professional (FCIP/FIIC)

## GENERAL INFORMATION:

- Sponsored by the Risk and Insurance Management Society (RIMS), the world's largest association of risk management professionals
- The CRM is a designation awarded to students who successfully complete the three core courses in Risk Management, which also comprise the risk management major of the Fellow Chartered Insurance Professional (FCIP/FIIC)
- Certification is awarded by Global Risk Management Institute (GRMI) upon receipt of grade reports (\$100 fee)

## RISK MANAGEMENT COURSES:

- **Risk Assessment** (Fall)  
Risk Assessment provides knowledge about the first two steps of the risk management decision making process: 1.) Identification and analysis of loss exposures and 2.) Development of alternative techniques for treating each exposure.
- **Risk Control** (Winter)  
Risk Control provides students with techniques for effective control and co-ordination of the organization's total risk management effort.
- **Risk Financing** (Spring)  
Risk Financing provides basic information about selecting, implementing and monitoring risk-financing techniques.

## RIMS FELLOW CERTIFICATION:

(Canadian) RIMS Fellow certification is available by applying to GRMI and completing the following courses and workshops:

### 1) **Four Foundation Courses in Business**

- Accounting
- Finance
- Two additional college or university-level courses in business, economics, MIS, law, insurance, marketing, or management (or business administration degree)

### 2) **12 days of RIMS Workshops**
