**MARSHA HANEN GLOBAL DIALOGUE and ETHICS AWARD**

**CALL FOR PROPOSALS**

**Submission deadline: Thursday, June 30, 2011 by 4 p.m.**

**Purpose of this Award:** The Marsha Hanen Global Dialogue and Ethics Program was established in 2007 with a generous donation from former University of Winnipeg President Dr. Marsha Hanen C.M. Dr. Hanen’s founding gift forms the basis of a Global Scholars Fund in support of the interdisciplinary research program of the University of Winnipeg Global College. The Global Dialogue and Ethics Program promotes the open expression and dissemination of ideas and respectful discussion, by supporting U of W faculty-initiated research and providing an interdisciplinary forum for dialogue on topics that include an ethical dimension such as human rights and responsibilities; women’s issues and women’s global roles; local and international community needs; freedom of expression and civil liberties; citizenship and participation in globalization and democracy; responsibility and security; global corporate responsibility, ethics, and governance; impacts of science and technology; and global public health issues. Generally speaking, the funds provided are intended to function as seed money for U of W faculty that will allow the recipient to seek additional funding from a variety of sources and to develop a substantial project which will have broad impact - both within the University and beyond.

**Up to \$7,500 may be awarded to UW faculty member(s) for 2011- 2012.**

**Please note: Incomplete applications will not be considered for funding**
