

Application for Airport Reception

*****Application must be received 7 days prior to arrival*****

The Airport Reception Service is provided to NEW International Students arriving during the move-in dates to residences at the start of an academic term. No service on statutory holidays, including Labour Day (first Monday in September). (See: <http://uwincampuslife.wordpress.com/prospective-residents/new-residents/>) We will do our best to respond to changes in flights, weather, etc. reported to us. In rare circumstances, we will be unable to respond in time, so you should be prepared to take a taxi (~C\$20.00) if necessary.

Prior to arriving, students must receive a confirmed move-in date from the UW housing office. e: housing@uwinnipeg.ca p: 204.786.9900. **If arriving before the move-in date, students must make arrangements for accommodation in an airport hotel or downtown hotel/hostel until their room is ready.**

Please inform the International Student Office of any changes to your plans by contacting us via email: iso@uwinnipeg.ca or phone: 204.786.9469.
