

THE UNIVERSITY OF WINNIPEG

SITE PLAN

Student Drop Off : Spence Street is designated Handicapped Parking area as well as the loading zone for the University's Shipping and Receiving. School buses may drop off students on Spence Street, but **departure must commence immediately.**

In the event that this area becomes congested, Campus Security will re-direct buses to the **Yellow Zones** for the unloading of students.

The **Yellow Zones** are two temporary loading/unloading areas that have been created and designated as Event Parking. There is sufficient space for 5-6 buses to unload in these areas. The two locations are as follows:

- South side of Ellice Avenue, between Young Street and Spence Street.
- Behind Duckworth Centre, between Young Street and Spence Street.

Picking up students : Bus parking is not permitted along Spence Street. Campus Security will be monitoring this location and directing buses to one of the **Yellow Zones**. Arrangements should be made prior to determine which **Yellow Zones** your group is to meet for loading and departure.

Handicapped Parking is available on Spence Street.

Your cooperation is appreciated.
