

UWinnipeg Welcomes You

Welcome to **Open House 2012!** Meet us in the **Duckworth Centre (2nd floor entrance)** when you arrive to pick-up an information package, then plan your visit around the following activities.

INFORMATION FAIR

- Visit the booths in the Duckworth Centre gymnasium for information on departments and programs. Professors, students, and staff will be on hand to talk about degree programs and course selections.
- Visit the Student Services booths to learn about scholarships, financial aid, career counselling, special needs, student housing, and more.
- Free Snacks are available in the Duckworth Centre. You can buy lunch in Riddell Hall or at the Duckworth Café and Eatery.

PRESENTATIONS AND MINI LECTURES

- Pick presentations on topics that are of special interest to you.
- Most presentations are offered twice during the day and once in the evening.
- Schedule your time so you can attend more than one.

TOURS

Take a tour of the growing UWinnipeg campus. Guided general tours of our campus, or the new Science Complex are offered on the hour at 10:00, 11:00, 12:00, 1:00, 6:00 and 7:00 on a first-come basis. Only one Science Complex tour is offered each hour. Several general campus tours are offered every hour. Theatre and Film will offer a "Talk and Tour" at 11:00 a.m., 1:00 p.m. and 6:00 p.m. in Theatre 1T15.

- **General Campus Tours** – Leave from the Duckworth information fair
- **Science Complex Tours** – Leave from the Duckworth information fair
- **Housing Tours** – Leave from the Housing booth in Duckworth
- **Bill Wedlake Fitness Centre Tours** – Leave from the Customer Service Desk
- **Theatre and Film Tours** – Leave from the Theatre and Film booth in Duckworth
- **Library Tours** – Leave from 4th floor Centennial Library Information Desk

LIBRARY AND INFORMATION SERVICES

The University of Winnipeg Library houses half a million print volumes, a state of the art Learning Commons, brand new group study rooms and dozens of newly installed desktops to advance your learning experience! Open 7 days a week and 24/7 online resources and services, too!

ACCESSIBILITY SERVICES

We will have ASL/English Interpretation available throughout the day and evening. If individuals require ASL/English Interpretation at Open House, please visit the Accessibility Services booth in the Student Central area of the Duckworth information fair.

PRIZES AND GIVEAWAYS

Stop by the 2nd floor of the Duckworth Centre "Student Carnival" to fill out a VIP CARD for your chance to win **\$5000 of FIRST YEAR TUITION** at UWinnipeg! (Note: if you have already filled out a VIP CARD during a UWinnipeg visit to your school, then your name has already been entered for this contest and you do not need to submit another card).

You can also enter your name in the draw for two tickets to the Hockey game on February 27th 2012!

WIN WITH THE WESMEN

You are invited to challenge our Wesmen athletes in sports clinics for basketball, volleyball, soccer and wrestling. Test your skills and win great prizes for going head-to-head with a Wesmen athlete.

LOUNGE FOR HIGH SCHOOL COUNSELLORS – Pizza at Lunch sponsored by Garbonzo's Pizza Pub

During the day, Counsellors can relax, visit with their colleagues and have some refreshments in the Corporate Suite above the Duckworth Centre information fair. Entrance to the suite is from the 2nd floor of Duckworth directly under the track entrance.

APPLICATION CENTRE - ROOM: 2D16

- Apply today in the Application Centre where our Admissions team will assist you in completing your online application. Make sure to bring your Manitoba Education and Training (M.E.T) number, which can be found on your transcript, or by asking your school's office and a method of payment for the \$80 application fee.
- Already Applied? Not sure what happens next? Stop by and talk to a member of the Admissions team.

THE UNIVERSITY OF WINNIPEG

OpenHouse 2012

Daytime: 9:00 a.m. - 2:00 p.m.

Evening: 5:30 p.m. - 8:00 p.m.

Open House Presentations are your opportunity to explore your interests and ask questions that can help you to find your path to university and your future program of study.

To find a presentation room you have to know how to break the code:

4M31 = 4th floor / Manitoba / room 31

D=Duckworth **C**=Centennial **L**=Lockhart **M**=Manitoba **T**=Theatre.

Refer to the campus map for directions or ask for help from anyone wearing a **RED** UWinnipeg T-shirt.

GENERAL PRESENTATIONS		10:00	11:00	12:00	1:00	6:00	7:00
At YOUR Service	Find out what to expect - get helpful tips, great advice, and answers to your questions! We'll cover it all from application to Student Services and Orientation.	1L13		1L13		1L13	
Living it Up @ UWinnipeg	How can you make the most of your time at UWinnipeg. Check out all of the fantastic ways to enhance your life at university	1L12		1L12			
FACULTY PRESENTATIONS		10:00	11:00	12:00	1:00	6:00	7:00
Faculty of Arts: Why Study Arts?	Come see where the university began and where it continues to grow. Come hear what opportunities the Faculty of Arts has to make changes in your world and in the world of others.	1L11					
Faculty of Business and Administration: Taking You Beyond Business and Economics	Become a business leader or a global economic player! Find out what the Faculty of Business and Economics has to offer and how it will open doors to YOUR future	4M41					
Faculty of Education: Education's Top Ten	Thinking about joining the Faculty of Education? Come and hear the pros and cons of becoming a teacher and learn about the application process into our unique Integrated Education Program.	4M37					
Faculty of Kinesiology: New Faculty, New Facility	Starting July 2012 UWinnipeg students will study human movement, or Kinesiology, in the brand new Faculty of Kinesiology! Come and learn more about the Faculty and the exciting new Multi-Sport Field House and Health and Wellness Complex planned for 2013.	3D01					
Faculty of Science: Cutting Edge Research & Opportunities for You	Find out how the Faculty of Science is leading the charge! Discover your opportunity to take part in research, gain valuable experience, and study in the city's newest state-of-the-art Science facility.	4M47					
MINI-LECTURES		11:00	1:00	6:00	7:00		
Classics: The Olympic Games and Gladiators	Were gladiators athletes? Was gladiatorial combat a sport? Join the discussion on these topics and how courses in the Humanities approach similar subjects.	1L08					
Geography: The Exploration of Mars	This lecture will show you how planetary scientists are using geography to decide where future Mars rovers can and should land on the planet.	4M47		4M47			
Microbiology: Microbes Rule the World	Learn more about the amazing microscopic world around you and the diversity of microorganisms that impact our environment and our health	3D01					
Business: Entrepreneurship	Find out what it takes to open your own business and be your own boss. Learn the fundamentals of business and what you need in order to become successful.	4M41	4M41				
International Development Studies: Slavery and Child Labour	Millions of children and youth work in cocoa, sugar and other plantations, factories, and workshops in countries across the globe. Here is a chance to learn more about the global problem of child labour and slavery and what is being done to solve it!	4M37					
PACE: Serious Gaming: The Future of Learning	Learn about current concepts and practices used in design, development and production of "serious" games.	1L06					
Classics: Greek Mythology	Did you know that Medea killed her own children, that Orpheus' music could charm even trees and rocks, or that Hercules was killed by his own underwear? How could these things be possible?		1L08				
Biochemistry: Life at a Molecular Level	Living organisms are biomedical masterpieces: literally millions of chemicals work together in exquisite harmony to sustain life. Learn about the beautiful integration of form and function at a molecular level.		4M47				
Kinesiology: The Study of Human Movement	Learn about the study of human movements, considering knowledge, theory and application related to physical activity and sport.		3D01				
Philosophy: New Approaches to the Problem of Evil	How can evil exist in a world created by an omnipotent, supremely good God? We will look at the ways philosophers have tried to solve the problem of evil, and contrast these with some more recent, non-philosophical, approaches.		4M37				
Conflict Resolution Studies: The Road to Peace	Build peace in yourself and the world. Conflict Resolution Studies helps students understand and respond to personal, local and global conflict.		1L06				
Spanish Contemporary Literature	What is intertextuality? Learn how the novels and essays of one of Spain's major writers is influenced by the philosophy of Nietzsche and the Greek historian Xenophont.			1L08			
Global College: The Qualities of a Global Citizen	It has become fashionable to speak of being a "global citizen." This lecture examines the concept of global citizenship, and reports on research analyzing the assumptions of global citizenship.			3D01			
Anthropology: Meet Your Ancestors	What is Archeology really like? Come and spend time in an actual lab with the Curator of the Archeology Museum.						3C39
Mathematics: Introducing the Derivative	Ever wonder about a formal definition of the derivative using limits? Or how this definition can be used to determine the derivative of several functions?						3D01
