## Check the Course Calendar!

Both the general degree requirements and the requirements associated with specific majors can be found in the Course Calendar on the University's website. (In particular, see Sections VIII and IX.) We suggest that you print the relevant information from the Calendar to use *in conjunction* with this worksheet. If there are any discrepancies, the Course Calendar on the website will be considered the authority.

## Notes:

- The program is offered jointly with the professional program of the School of Contemporary Dancers; **entrance to the professional program of the School of Contemporary Dancers is by audition.** Once admission is obtained, students must also apply for admission to The University of Winnipeg; this must be done prior to registering for courses in the Dance Program Stream.
- Students must contact the Office of the Department of Theatre and Film at 786-9955 in order to arrange an appointment for counselling prior to setting up their course of study in either the general or the Honours program.
- Theatre and Film Stream courses cannot be used to fulfill the Major subject requirements in the Dance Program Stream; they are considered to be a different subject with respect to the maximum number of courses permitted in the Major subject and to the University Distribution Requirement
- Where the sample course sequences suggested in the Course Calendar have not been followed precisely, students are encouraged to take Spring Dance Intensive courses or other optional courses to complete the degree. Please discuss possible choices with an Advisor.
