Check the Course Calendar!

Both the general degree requirements and the requirements associated with specific majors can be found in the Course Calendar on the University's website. (In particular, see Degree and Major Requirements) We suggest that you print the relevant information from the Calendar to use *in conjunction* with this worksheet. If there are any discrepancies, the Course Calendar on the website will be considered the authority.

Notes:

1. Students must meet prerequisites where required.
2. Students must meet with the Program Coordinator when planning their curriculum at the beginning of each term.
