# INDIA CENTRE AWARDS DINNER 2016

A little over three years ago, The University of Winnipeg (UWinnipeg) came together with the India Association of Manitoba (IAM) to create a new India Centre for Business, Academic, and Community Excellence. We combined our strengths so that we could collaborate on a number of projects to improve understanding between cultural communities, particularly those of Indo-Canadian, Canadian, and Indian origin.

In September 2015, the India Centre, in partnership with the IAM, hosted its first annual Awards Dinner. Dr. Indira Samarasekera (former President & Vice-Chancellor of the University of Alberta) received the Lifetime Achievement Award of Distinction and delivered a fascinating keynote address. We had more than 350 attendees at this dinner and raised over \$30,000, which went towards various initiatives throughout the year including:

- the creation of an endowment fund to support scholarships and bursaries for students to take part in international exchanges to/from India
- a series of public forum and concert events which furthered our aim to build cross-cultural bridges;
- co-hosting with the UWinnipeg Faculty of Business & Economics a cohort of 44 Indian students and one faculty member from The Institute for Integrated Learning Management (IILM) for a 4-week Global Business Management certificate program.

Overall this was an excellent year for The Centre, and with your support we aim to build upon these successes. We hope you will also see the value in these initiatives and will choose to support our efforts through sponsorship of our 2nd Annual Awards Dinner on Monday, November 7, 2016 (details attached). This year, we are pleased to be honoring Mr. Bob Dhillon (Founder, President & CEO, Mainstreet Equity Corp.) for his business acumen and great achievements in community development. It is sure to be a fantastic evening! We look forward to seeing you at our many events and thank you for your consideration.
