

**THE UNIVERSITY OF WINNIPEG SENATE  
ANNUAL REPORT OF THE  
HONORARY DEGREES AND FELLOWSHIPS COMMITTEE  
(the “Committee”)  
MAY 24, 2023**

The Committee met twice since the last annual report was submitted. New nominations for Honorary Degrees, Fellowships and Professor Emeritus designations were reviewed and recommendations were made to Senate for their approval. The Committee also reviewed nominations for the Distinguished Alumni Award, and recommended approval to the Alumni Council. The timing of conferring honours is determined by the President, and depends on many factors, including availability of recipients. Nominees are generally selected to receive their award during a Convocation which focuses on their area of expertise or distinguished service.
