

# *The University of Winnipeg Academic Advising*

## *Mission Statement:*

*To support University of Winnipeg Students in their academic journey by providing holistic, individualized and accurate developmental advising, recognizing that advisors and students are active partners in this process.*

## *Values guiding us include:*

- 1. Creating a welcoming and supportive environment*
- 2. Demonstrating cultural sensitivity and valuing diversity*
- 3. Comprehensively and holistically assessing and addressing student needs*
- 4. Recognizing the unique strengths and gifts of each student*
- 5. Communicating in a manner which encourages openness, collaboration and student empowerment*
- 6. Responding to student inquiries clearly and accurately, answering their questions and also offering additional relevant information*
- 7. Focusing on students' educational goals and academic success*
