The University welcomes applications from Canadian and international students. All new students must apply for admission to the University. Notification of acceptance is required before students may register in courses. Students are admitted to the University on the basis of high school standing or previous studies at another university or college.

It is a matter of [academic honesty](#) to disclose all institutions attended. Withholding information can result in cancellation of acceptance or dismissal from the University. You must disclose studies that you passed and failed.

1. Admission Process

All students who wish to study at the University for the first time must submit a completed application for admission. See website: uwinnipeg.ca/future-student/apply/index.html

After evaluation, applicants receive formal notification of the decision.

Students who attended United College prior to July 1, 1967 must apply for admission before they can register for a course.

Applicants for off-campus programs must follow the same application procedures and meet the same requirements as regular on-campus students.

International students may not apply for undergraduate studies more than twice without previously attending The University of Winnipeg.

a. Student Number

A Student Number is assigned to each student upon application. It identifies student files, and appears on official documents including the official letter of acceptance and all statements of examination results issued by the University. The Student Number and applicant's full name should be quoted in all contact with University offices.

b. Application Fees

Each time an applicant applies to the University for admission or readmission, an application fee is required. This fee, non-refundable and not applicable to tuition fees, must accompany the application for admission. See website: uwinnipeg.ca/future-student/apply/index.html

c. Required Documentation

All documents submitted in support of an application must be official. Copies are not acceptable in most situations unless documents are able to be verified online. Please see the following link for more information (Supporting Documents section): <https://www.uwinnipeg.ca/future-student/apply/ready-to-apply/index.html>.

Documents submitted with an application become the property of the University **and will not be returned**. Misrepresentation, falsification of documents, or the withholding of requested information with respect to the application, can result in the cancellation of acceptance and registration or dismissal from the University. Any information on falsifications may be shared with the Association of Registrars of the Universities and Colleges of Canada and/or other post-secondary institutions. The following supporting official documents must be submitted with a non-refundable application fee before any application will be considered:

Students who do not register within one year of their acceptance will be required to re-apply.

The University does not accept all applications for admission and may refuse to accept applications for admission at any time. International applicants particularly should be aware they shall be denied admission on the basis of their educational history if there are indications they are not a bonafide or degree-seeking student in Canada.
