

ECONOMICS AND FINANCE (EFIN)

Updated March 28, 2018

Coordinator: M. Pandey; **Program Advisor:** D. Ng

DEGREES/PROGRAMS OFFERED

4-Year BA
4-Year BBA

INTRODUCTION

The field of finance has its roots in the discipline of economics and business. This program will provide students with the conceptual tools to understand a number of issues from modern finance theory and applications. The program will provide students with a solid understanding of the operation of capital markets and capital market instruments, including equities, fixed income securities, as well as futures markets, options and other derivatives. The program will provide students with an in-depth understanding of topics in modern finance and financial economics as it relates to the capital structure of firms and how these financial instruments affect the overall operation of modern financial systems.

NOTE ON DEPARTMENT COURSE ADMISSION REQUIREMENTS

Economics and Finance (EFIN) students are expected to meet course requirements specified by the department offering the courses. Please note that program courses may have somewhat different requirements for registration in certain courses. For example Economics requires academic advising and approval from the Honours Advisor to register for 4000-level courses.

NOTE: Course Listings and Descriptions can be found under the appropriate Departmental Listings: Applied Computer Studies (ACS), Business and Administration (BUS), Economics (ECON), International Development Studies (IDS), Mathematics (MATH), Philosophy (PHIL), Politics (POL) and Statistics (STAT).

Students are advised to confirm Departmental offerings before planning their curriculum, as certain courses may not be available in each term. Students are advised to ensure that currently listed courses do not duplicate material studied previously under different course numbers.
