## **FAQ for Students**

### **I am having difficulty in school and I suspect that I may have a disability. What do I do?**

You can come by our office in 1M35, or contact us at 204.786.9771 for more information.

### **How do I register with Accessibility Services?**

Schedule an appointment to meet with one of our Accessibility Advisors and provide supporting medical documentation.

## **If I register with your office will it show up on my transcript?**

No. Our office offers a confidential service that is not part of your student transcript.

## **Can anyone know that I am registered with your office?**

No. We offer a confidential service for students with disabilities. Information about your registration with AS will not be shared with anyone unless you give us written authorization. Your instructor may be notified, if they are to be involved in the provision of accommodations.

We cannot disclose information to family, friends or people on campus without your consent.

## **Once I am registered, do my accommodations expire if I do not use them?**

Students with permanent disabilities do not need to re-register for services during their degree. Depending on the type of medical condition you have, you may need to bring in updated documentation if temporary accommodations have expired.

## **What if I need other student services on campus?**

Students registered with AS can also utilize other student services including Student Counselling Services, Aboriginal Student Services Centre, and other student services located in the Student Services Centre at 489 Portage Avenue (Rice Centre).
