

July 2017

Dear Class of 1967 Alumni/Alumnae:

Congratulations! This year marks the 50th anniversary of your graduation from United College. It also marks the 50th Anniversary of The University of Winnipeg receiving its charter in 1967.

To help celebrate these milestones, a reunion weekend of events for your class will be celebrated as part of The University of Winnipeg's Homecoming and Anniversary Weekend – September 14-17, 2017. The Class of 1967 reunion events can be found on the enclosed registration form. Simply check which events you wish to attend. You can read the details of your reunion events on the university's website at: www.uwinnipeg.ca/homecoming

This year, Homecoming and the 50th Anniversary Weekend will include a variety of Anniversary events that you will be able to attend in addition to your class reunion events. You can read the details of these Anniversary events on the university's website at: www.uwinnipeg.ca/50 These will include a "Party Like It's 1967" Manitoba Social and the UWinnipeg Leadership Dinner.

Call up your closest classmates and make plans to attend your milestone reunion together for what should turn out to be a most memorable and fun weekend.

While you are making plans to attend your class reunion, please help us find any of your 'lost' classmates who are recorded in the enclosed 'lost list'. Contact Alumni Affairs at 204-988-7118 or alumni@uwinnipeg.ca so that a reunion invitation package can also be sent to them.

We look forward to seeing as many of you as possible in September!

Regards,

Steven Pataki
