## Manitoba Archaeological Society Scholarship

The Manitoba Archaeological Society Scholarship was established in 2021 as part of the MAS' 60<sup>th</sup> anniversary celebrations. Its purpose is to help archaeology students attain their academic goals, and will hopefully lead to the development and retention of professional archaeologists within the province. Three awards of \$500.00 each are available to eligible students.

In order to apply for this scholarship, the candidate must:

1. Be a part-time or full-time undergraduate archaeology student or anthropology student (with an emphasis on archaeology) currently attending Brandon University, the University of Manitoba, or the University of Winnipeg. Four-year and Honours degrees will be given preference.
2. Have completed at least 18 credit hours in archaeology courses.
3. Provide a complete transcript (pdfs are acceptable).
4. Be a paid student member of the Manitoba Archaeological Society (MAS).
5. Have verifiable archaeological (or related) volunteer experience within the past two years.
6. **Complete the attached application form and return it and all required forms to the MAS via email (mbarch@mymts.net) by MAY 31<sup>st</sup>.**

Successful candidates must write a short article for one of the biannual MAS Newsletters before receiving payment.

The MAS Executive and Council will select and notify the scholarship recipient. Payment will be made directly to the successful candidate. The MAS Executive and Council retain the right to withhold scholarships in any year if no candidate is determined to be qualified.
