

Academic and Career Services offers a wide range of supports to students and recent graduates of The University of Winnipeg.

Academic Services Supports

We can meet with you in either a 10-minute drop-in session or a 30-minute scheduled appointment to provide the following:

- Understanding degree and major requirements
- Reviewing course selection, degree planning and registration strategies
- Creating plans for academic success
- Assisting with the appeal process
- Understanding academic status
- Providing supports to enhance student resilience
