UNIVERSITY COLLEGE

EDUCATION FOR A BETTER WORLD

Booth University College is a Christian University College located in the heart of downtown Winnipeg. We offer several undergraduate programs, one of our most popular programs being our Social Work After Degree. At Booth UC, students will develop the skills they need to succeed in their chosen careers and be inspired to impact the world around them with hope, justice, and mercy. All students are assigned their own personal librarian and can access free tutoring, academic workshops, exam study sessions and drop-in advising. We also provide a safe and affordable residence with live-in staff and a Resident Assistant who is always ready to provide academic, social, and spiritual leadership and support
