

Chartered Professional Accountants of Manitoba (CPA Manitoba) is one of the largest professional organizations in the province with over 9,000 members, candidates and students. CPA Manitoba is proud to be a part of the Canadian accounting profession, which represents more than 217,000 members across the country and around the world.

A CPA designation is Canada's premier credential for professional careers in accounting and business. Chartered Professional Accountants enjoy highly rewarding careers that offer boundless opportunities and advancement in public accounting, the corporate world, government and not-for-profit entities. Perhaps that's why so many CPAs are among Canada's top strategic business and financial decision makers.
