

Film Training Manitoba's goal is to develop a highly skilled and adaptable workforce to support the activities of Manitoba production companies.

FTM collaborates with members of the film and television industry to identify the training needs within the community. With this information we can offer practical, skill-based training that is targeted where labour gaps occur.

Our Vision

To provide world-class training and workforce develop to support the growth of Manitoba's dynamic film and television industry.

Our Mission

Founded in 1999, FTM is a member of the Province of Manitoba's Sector Council program and we provide high caliber workforce development programs to sustain Manitoba's dynamic film and television industry. FTM works closely with the industry to identify training needs within Manitoba.

Core Values

Practicality. Innovation. Industry driven.

Training

FTM's online courses make training easily accessible! Through our website, FTM offers the basic courses for membership to IATSE Local 856, the International Cinematographer's Guild Local 669, and the Director's Guild of Canada – Manitoba District Council.

FTM workshops are designed to offer Manitoba crews the opportunity to train for advancement within the industry. We deliver practical workshops that provide entry-level and advanced skill development for Manitoba crewmembers and we also collaborate with labour organizations and industry partners to put together workshops and presentations that provide our local crewmembers with advanced training and professional development opportunities.
