

Headquartered in Winnipeg, [IntegrateIT](#) is a boutique consulting firm committed to economic and workforce development in Manitoba.

In an ever-changing digital world, businesses need tools, resources, and opportunities to keep pace and realize their full potential. We help businesses navigate digital transformation, digital marketing, and eCommerce adoption, while providing young professionals with opportunities to work in a fun, inter-disciplinary team. At IntegrateIT, we invest in our team to help develop the most in-demand, hybrid skills and leadership capabilities.

IntegrateIT is the delivery agent for the Canada Digital Adoption Program (CDAP) – Grow Your Business Online stream in Manitoba. CDAP is a multi-year federal government funded initiative to help businesses get online, widen their customer reach, and bolster operations.

Our services are available to eligible businesses that want to advance their digital adoption and eCommerce capabilities. Eligible businesses can access:

- Up to \$2,400 in micro-grant funding to support eCommerce-related initiatives
- Complimentary eCommerce advisory services

Do you value opportunities for career growth, fulfilling work and stability? At IntegrateIT, you can develop the skills most desired by employers and make a REAL IMPACT on Manitoba's economy.
