

PULFORD

COMMUNITY LIVING SERVICES

Pulford Community Living Services is a not-for-profit community-based organization that provides housing and support to persons with developmental disabilities. We at Pulford encourage and facilitate the individual's ability to live and grow in ways that the individual sees fit to the greatest possible extent.

We are currently seeking full-time/part-time flexible Direct Support Professionals to provide responsive, person-centered care services to adults at an excellent standard. Under the direction of the Program Supervisor and within the limits of the approved policies and procedures of Pulford Community Living Services, assist and support with the day-to-day living, operations of housing, and programs for the benefit, support, and well-being of individuals with developmental disabilities. As a Direct Support Professional at Pulford, you must be a committed, consistent, nurturing individual to maintain those supported by Pulford
