

United Rentals was founded in 1997 and quickly became the world's largest equipment rental provider. Today, our company continues to serve customers in the construction and industrial sectors with equipment rentals, new and used equipment sales, safety training and 24-7 support.

United Rentals deploys over \$10.6 billion in fleet across 1,025+ branches throughout U.S. & Canada with 15,000 employees. Our branches are fully integrated through technology, allowing them to collaborate on solving customer needs.

We're committed to making United Rentals a great place to work. That means providing employees with opportunities for growth and fostering an environment based on teamwork, mutual respect, job satisfaction, diversity, and a shared responsibility to build a better future.
