

# CAREER PATHFINDERS

## THEATRE AND FILM DEGREE

Students who graduate with the Bachelor's degree in Theatre and Film may find employment opportunities in every aspect of the theatre and film worlds, from performance and technical production, directing, crewing, and editing, to general arts administration. A solid background in literature and theory may lead to further studies and teaching opportunities in a university or professional drama or film school. Some graduates establish careers in related work in public service and the broadcasting media.
