

## Canadian Beverage Container Recycling Association - Recycle Everywhere

The Canadian Beverage Container Recycling Association (CBCRA) is a not-for-profit, industry-funded organization that operates and implements the Recycle Everywhere program.

Recycle Everywhere strives to educate Manitobans on beverage container recycling, and ensure that it is convenient to recycle empty beverage containers no matter where you live, work or play. We do this by promoting beverage container recycling wherever beverages are consumed, both at home and away from home.

Recycle Everywhere has partnered with communities, municipalities, schools, businesses, institutions, parks, festivals and events throughout Manitoba to provide them with the best Recycle Everywhere bin for the space free of charge. Our partners simply arrange for the collection of the recovered beverage containers with a recycler.

We also implement programming that helps make beverage container recycling more efficient at...

- home
- work
- school
- in your community
- and at the campground or cottage
