

ABILITIES • POSSIBILITIES • COMMUNITIES

DASCH is a non-profit organization established in 1974 dedicated to exploring and meeting the residential, day program, respite and foster care needs of youth and adults.

DASCH supports people living in over 50 homes throughout Winnipeg. People can participate in personalized social, educational, vocational and recreational services that provide learning opportunities and greater independence.

DASCH is currently looking for highly motivated individuals to provide support to people who live with intellectual disabilities.
