BACHELOR OF ARTS DEGREE WITH A MAJOR IN

ANTHROPOLOGY

Overview

Anthropology provides students with academic preparation for pursuing a wide range of careers, and is especially relevant to those that apply an objective and broad-based understanding of human values and social relations. Graduates find career opportunities in numerous professional areas including teaching, archaeological and cultural research and resource management, consulting, law and law enforcement, public service, and health professions.

"I love the fieldwork because it makes the theory so much more meaningful."

- Claudette Rocan (BA Anthropology), who worked in the field in Lockport, Manitoba, as part of an anthropology course. She spent six weeks digging, surveying, and cleaning artifacts in the lab.
