

## NOW HIRING STUDENTS FOR OUR SUMMER PRODUCTION SEASON!

### THE PROJECT

Premier Printing must complete approximately 1/2 million agendas from mid June through August. Our team, with the help of a student-based workforce, has assembled agendas for over thirty years. An agenda is a time management tool designed for today's students. The agendas are shipped to schools across Canada - *you* might even use an agenda made at Premier Printing! This is a challenging task – but we are proud of our past successes and look forward to improving this season!

### THE POSITIONS

Our summer positions include a range of tasks within our print and bindery environment. There are positions available in equipment operations, quality control, product binding, product packaging, and inventory control. We are looking to hire between 20-30 workers for this year.

### THE PEOPLE

Every summer we build a team of both old and new acquaintances. We're proud that many of our recruits come back to join us each year – and we're always excited to get to know our new team members better.

Consider joining us! We're looking for individuals whom:

- Are 16 years of age or older
- Believe in teamwork
- Are enthusiastic
- Are committed to working through the summer
- Possess integrity
- Have a positive attitude

### THE HOURS

We hope to have our first group of students (from post secondary schools) working by the middle of June. The rest of the team starts in the beginning of July when school is finished.

We work forty hours a week at minimum on a day shift. Applicants should be aware that the season start, and finish are subject to change based on available production volumes.

Due to our tight timeframe, it's important that we build a committed workforce. We ask our team members to take **no more** than three working days off during the summer. We encourage you to strongly consider your holiday plans before applying – this will be a topic discussed during the interview process.

## THE PAY

We offer competitive wages! Please feel free to inquire more specifically about wages in the interview process.

## To Apply:

Download our application from our website: [www.premierprinting.ca](http://www.premierprinting.ca) and mail, email, fax or drop it off. Only applicants of interest will be interviewed. You are encouraged to apply no later than May 27th, 2022.

Contact info is as follows:
