

# TECHMB

## Events for post-secondary Technology Students

### Plugged In

March 13<sup>th</sup>, 2024, 5-8pm

Across the Board Café 211 Bannatyne Ave, Winnipeg

Plugged In is a **FREE** networking and community building event for early tech professionals to come together and learn more about the local resources available. Dive into a vibrant community of like-minded professionals eager to explore the opportunities within Manitoba's tech scene.

This Plugged In event will feature a **workshop on interview skills and highlight a few “mock interview” scenarios** tailored to the IT sector. Facilitated by representatives from People First HR (senior recruitment Consultant and Career Consultant)

This event is open to all tech enthusiasts, including:

- Students & recent graduates
- People looking to make a career change into tech
- Tech professionals who recently moved to Manitoba
- Members and ambassadors of Tech Manitoba

**More information will be sent to all our post-secondary members on April 1st, 2024, with a listing of participating companies and registration link for grads.**

### MB Tech Week is on now!

February 26 – March 3, 2024 (in person and virtual events)

Get ready for Manitoba's first MB Tech Week! Dive into the celebration as we gather for a week-long showcase of the Manitoba tech community that promises to captivate and inspire.

The logo consists of the word "WEEK" in a bold, white, sans-serif font, centered within a red rectangular box. This box is positioned on the left side of a black horizontal bar.[www.mbtechweek.ca](http://www.mbtechweek.ca)
