

COMMUNITY ASSET MAPPING

The background of the slide is a faded, light-colored map of a city street grid. The map shows various streets including Empress Street, Omand's Creek, Portage Avenue, Wall Street, and others. A central grey box with a dark blue border contains the definition of community asset mapping.

**AN ACTIVITY THAT BRINGS
PEOPLE IN A COMMUNITY
TOGETHER TO MAP THE
PLACES, GROUPS, AND
ORGANIZATIONS THAT ARE
IMPORTANT AND BRING
VALUE TO THEIR
NEIGHBOURHOOD.**
