What is SVRA?

South Valour Residents Association (SVRA) is a non-profit community organization established December 2020. We are led by a volunteer board, with support from dozens of community volunteers. We are working to make the West End an even better place to live. Our boundaries are Portage to Ellice and Denson to Erin.

What have we been up to?

Some of our previous work includes using grant money to plant and water 90 trees, and hosting various community events, such as block parties, community cleanups, asset mapping, harm reduction workshop, outdoor yoga and stargazing.

What's next?

We will unveil the Community Public Art Project final mural at our Annual General Meeting in November.

Want to get involved?

Are you interested in helping your community thrive? If so, contact us! We are currently seeking board members and committee members that contribute to South Valour in a variety of meaningful ways. Contact volunteer@svrawinnipeg.org to learn more.
