Fall 2023

THE UNIVERSITY OF
WINNIPEG

*Today you cross
the path from
students to alumni.*

Messages to the Graduands

From the Chancellor

Congratulations Graduands!

It's been a privilege to serve as your Chancellor and to celebrate with you as you graduate and move forward toward your chosen career.

Convocation is an important time to come together as fellow scholars, community members, family, and friends to recognize and celebrate your success. You've learned new ways of looking at the world and gained the knowledge and skills required to become leaders.

During your time at UWinnipeg, you accomplished many great things and demonstrated a drive and passion that will fuel your path forward in life. You don't have to look far to find University of Winnipeg graduates leading initiatives, volunteering their time, and championing change that makes an impact locally, nationally, and globally. This tight-knit community is rooting for you as you launch your career or take the next steps in your post-secondary journey.

We are so proud and I know only great things are ahead for you!

Barb Gamey

Chancellor

The University of Winnipeg

From the President

Congratulations Graduates!

Convocation is a special time for our University community and an important opportunity to celebrate your academic success. On behalf of the Board of Regents, our faculty, and staff, I extend our sincere congratulations.

During your time at The University of Winnipeg, you have developed critical-thinking skills, experienced the value of a diversity of views, and ignited your curiosity and determination to contribute to a better society.

Whether you are continuing your studies or pursuing your career, I know you will all become leaders in your communities. Your voices are important to the future of our province, country, and world. On behalf of The University of Winnipeg, your professors, instructors, and the staff who supported you throughout your academic journey, please accept our very best wishes.

Sincerely,

Dr. Todd A. Mondor

President and Vice-Chancellor
The University of Winnipeg

From the Alumni Association

Congratulations to the Class of 2023!

As each of you crosses the stage and receives your degree here today, it is my sincere pleasure to warmly welcome you as the newest members of The University of Winnipeg Alumni Association.

I would like to also recognize the members of your communities who helped you reach this milestone – those who provided you with strength, support, and inspiration each step of the way. They are an important part of your story and share in the celebration of your success.

Today, you may also be thinking about saying goodbye – to familiar faces, everyday routines, and your favorite places on campus. As alumni, however, you will always be an important part of this University community.

I studied Education at the University and played Wesmen basketball. I recently retired from a 41-year career as a teacher and administrator, and I now volunteer with the Wesmen as an assistant coach and tutor. This community has been an important part of my life, and I hope that each of you will find your own meaningful ways to stay connected to UWinnipeg.

Our vibrant Alumni Association offers a variety of opportunities for networking, personal and professional development, and contributing to the life of the University. Some ways to get involved include joining our online UWinnipeg Connect community, volunteering, and attending lectures and special events. As a member of the Alumni Association, you will always be welcome here.

Sincerely,

Brent Corrigan

President

The University of Winnipeg Alumni Association

From the PACE Executive Director

To the Graduates of 2023

On behalf of the staff and instructors at The University of Winnipeg Professional, Applied and Continuing Education (PACE) I offer you our most sincere congratulations on your graduation today. We consider ourselves lucky to have been on this journey with you as you studied at PACE. Whether you studied part-time or were at PACE for a full time program, we know it took a lot of commitment to complete your studies. Completing your program demonstrates your hard work and dedication to earn a new credential despite the many challenges placed in your way.

Now that you have reached the end of this journey it is time celebrate your accomplishment. Earning your certificate or diploma was a huge investment in yourself, so take the time to reflect on what you have learned both inside and outside the classroom. You are now prepared to do anything you want as you have proven you have what it takes to be successful. The world is a better place with you in it.

We are so thankful that you choose PACE as your place of study. Please stay connected with us now that you are a graduate, as there are many opportunities to come back as mentors, guest speakers, or attend some of our events. Some of you will become employers of future graduates, or even future PACE instructors. Your new journey has just begun!

Congratulations graduates and best wishes in your future endeavors.

Honourees

Honourees

Hon. Peter A. Cumming, KC

BA, LLB, LLM

Honorary Doctor of Laws

Peter A. Cumming has dedicated his life's work to ensuring Indigenous rights and laws are protected.

Born in Winnipeg, Cumming is a United College alumnus, graduating in 1959. He studied law at the University of Manitoba and Harvard Law School. While practicing law in Winnipeg, Cumming became involved as a volunteer advising Indigenous persons of their rights.

In 1968, Cumming joined Osgoode Hall Law School at York University, where he taught contracts, commercial law, tax, fiscal federalism, energy law, and Indigenous rights. It was during this time that he became very involved in First Nations rights. He developed courses and seminars exploring Indigenous law, equipping future generations of lawyers to make their own contributions to the field.

Cumming worked to develop the field of Indigenous law in the 1970s, when there were very few lawyers or academics in the field. He spoke extensively in Canada and around the world about Indigenous rights. Championing Indigenous rights was particularly important to Cumming, especially with the development of oil and gas resources underway in the Arctic. In 1972, he co-edited the first comprehensive legal text in Canada on Indigenous rights, *Native Rights in Canada* (2nd edition).

From 1978 to 1995, Cumming was appointed by the Ontario and Canadian governments to act as Chair of many human rights tribunals involving very important legal issues of first instance under the new legislation by each level of government.

He was retained by various Indigenous organizations to represent them in their negotiations with the Government of Canada. Through this work, both as a lawyer and scholar, he played a crucial role in the negotiations that led to the first comprehensive land claim settlements involving federal lands in the 1990s.

Cumming was appointed Queen's Counsel by the Province of Ontario in 1984. In 1995, he was appointed to what is now named the Ontario Superior Court of Justice. His career as a judge included the development of the law relating to class actions and significant decisions for the specialized Commercial List. Since his retirement in 2013, Cumming has been working as a mediator and arbitrator.

Honourees

Louise Leatherdale

BEd

Honorary Doctor of Laws

A true Manitoban in every sense of the word, Louise Leatherdale's legacy of philanthropy remains both permanent in the structures she has helped build and far reaching in lives she has helped enrich.

Born in Duluth, Minnesota in 1947, Leatherdale is an education graduate from Indiana University. After moving back to Minnesota to work with UnitedHealthCare, she rose to the position of retention manager, a role that saw her take part in the handling and selling of insurance products to businesses.

It was during this time that she met United College alumnus Doug Leatherdale, who she'd marry in 1988. They would become longtime UWinnipeg donors.

Leatherdale's role as a donor is evident when walking around campus. Her generous gift of \$2.5 million in 2015 attracted fundraising support for Leatherdale Hall, which officially opened in 2017.

Her continued commitment to the awards her and Doug established during his tenure on the UWinnipeg Foundation's Board of Directors is equally as impressive. The Walter W. Leatherdale Scholarships and Dr. Douglas W. Leatherdale Global Citizen Internships, in addition to many accompanying funds, have all benefited greatly from her generosity.

With a giving history of more than \$8.8 million, Leatherdale has forever changed the lives of countless students.

In addition to UWinnipeg, the Winnipeg Art Gallery and Assiniboine Park Zoo are each part of the funding trifecta she has remained dedicated to supporting – with numerous programs, exhibits, scholarships, and buildings owing their creation to her.

By championing fundraising efforts through her charities, Leatherdale has brought important change to UWinnipeg, the City of Winnipeg, and Province of Manitoba.

UWinnipeg alumna Susan A. Thompson, who was the first woman to serve as Mayor of Winnipeg, says Leatherdale has “undoubtedly helped shape our community for the better through her philanthropic endeavours.”

Honourees

Robert Stuebing

MBA

Distinguished Alumni Award

The University of Winnipeg Alumni Association is proud to recognize Robert Stuebing as the recipient of its highest honour, the Distinguished Alumni Award, during the 123rd Convocation on Friday, October 13.

Stuebing is a passionate, dedicated, and community-minded entrepreneur whose commitment to giving back has positively impacted the lives of university students and alumni across Canada.

Stuebing attended UWinnipeg Collegiate for Grades 11 and 12, graduating in 1965. He then attended United College and graduated in 1968 as a member of UWinnipeg's first graduating class.

Following graduation, he worked with CIBC for four years before attending the Ivey Business School at Western University, where he made the Dean's Honour List and graduated with an MBA in 1974. He then returned to banking, working with the Mercantile Bank of Canada. In 1980, he co-founded Dore, Sutherland and Stuebing Inc. (DSS) with two other partners.

DSS was the genesis of what is, today, the MCAP Group and MCAN Mortgage Corporation. The MCAP Group is the largest non-bank mortgage banking company in Canada. MCAN Mortgage Corporation is a mortgage investment company listed on the Toronto Stock Exchange.

Stuebing retired as the CFO of MCAN in 2006, but remained on the Board until 2013.

Stuebing met his wife, Eileen, at United College. They have been instrumental in building lasting legacies for the Collegiate, UWinnipeg, and Ivey Business School.

Together, they supported scholarships and bursaries, the construction of Leatherdale Hall, and the provision of a grand piano for Convocation Hall. Recognizing the need for a recruiting centre at his other alma mater, he helped establish the Robert Stuebing Recruiting Centre at Ivey Business School in 2018.

In 2020, Stuebing introduced the idea of a Collegiate Alumni Association and, after collaborating with the UWinnipeg Foundation and the Collegiate, chaired the new Collegiate Advisory Committee in 2021.

The Committee's work culminated a year later with a legally constituted Collegiate Alumni Association, which Stuebing now serves as Board Chair, and he is leading an endowment campaign that will help maintain a strong and active association in perpetuity.

Honourees

Bilguundari Enkhtugs

MA

Valedictorian

Raised in Ulaanbaatar, Mongolia, Bilguundari Enkhtugs chose The University of Winnipeg for its small class sizes and broad research and funding opportunities.

As part of her MA in Criminal Justice, Enkhtugs extensively researched digital criminology and online victimology. Her master's thesis explores how university students who have experienced cyberbullying define and present themselves online. She advocates for more mental health support for young people who have experienced cyberbullying.

Throughout her studies, Enkhtugs made time to volunteer with a variety of community organizations in Winnipeg. One of these was Kids with Incarcerated Parents (KIP) Canada, an Ontario-based organization that connected her with a child she tutored via Zoom.

Enkhtugs' interest in community supervision and environmental and social justice led her to a Research Assistant position in UWinnipeg's Criminal Justice department. She also worked as an Office Coordinator at Global College.

Enkhtugs has received an impressive list of awards and scholarships along her academic journey, including the University of Winnipeg Graduate Studies Scholarship and a Canada Graduate Scholarship from the Social Sciences and Humanities Research Council of Canada (SSHRC).

More recently, she was awarded a SSHRC Doctoral Fellowship and the University of Alberta's President's Doctoral Prize of Distinction. Earlier this fall, she began her PhD studies at the University of Alberta.

The background of the page is a solid red color. Overlaid on this is a large, faint, white outline of the University of Winnipeg crest. The crest is a shield-shaped emblem. At the top is a crown. Below the crown, the shield is divided into four quadrants. The top-left quadrant contains a lamp of knowledge. The top-right quadrant contains an open book. The bottom-left quadrant contains a stylized leaf. The bottom-right quadrant contains a bunch of grapes. A banner or scroll wraps around the bottom of the shield, featuring the Latin motto 'LUX' followed by a cross symbol.

Convocation Tradition

Academic Dress

Academic dress originated in medieval times to provide warmth in the damp halls of learning. In its present form, it includes a gown, hood (worn over the shoulders) and, a cap or mortarboard.

All universities have distinctive dress for each degree offered, which explains the variety seen in the academic procession.

The University of Winnipeg academic dress conforms to the North American Intercollegiate Code. All graduates wear a black gown, which varies according to the degree conferred. The bachelor's gown is worn closed in front and is distinguished by its pointed sleeves. The master's gown is designed to be worn either open or closed in front and has closed sleeves with an opening to free the hands. The front portion of the sleeve below the opening has a long semi-circular cut-out. Doctorate gowns also may be worn open or closed. They are faced with velvet.

The edging colour on the hood indicates the faculty in which a degree is conferred: Graduate Studies – red; Science – gold; Education – blue; Arts – white; Business and Economics – brown; Kinesiology and Applied Health – green.

The width of edging is determined by the degree: three inches for doctors; two for masters and bachelors. Hoods are lined in red with a white chevron.

Honorary doctors' gowns are red in colour and are faced with white velvet. They are worn with red Tudor bonnets. The hood colour signifies the honorary degree: white for Laws; golden yellow for Science; admiral blue for Letters; purple for Divinity. Hoods are lined in red and white – The University of Winnipeg colours. Fellows wear a gown of blue with neither hat nor hood. Members of the University's senior administration wear gowns of varying colours. They do not wear hoods.

Indigenous Graduation Stoles

Destiny Seymour is an Anishinaabe interior designer who is creating her own textiles that are reviving local Indigenous pottery and bone tool patterns from Manitoba. These ancient patterns have been dated from 400 to over 3,000 years old. Indigo Arrows is a company founded by Destiny that turns these textiles into modern home goods.

Destiny was approached to design custom graduation stoles for the Indigenous graduating students of The University of Winnipeg.

Each linen stole is handmade and block printed in Winnipeg. The pattern design is inspired by the repeated and delicate pattern stamping found on local Indigenous pottery, with colours reflecting The University of Winnipeg.

The University of Winnipeg Coat of Arms

The Coat of Arms of The University of Winnipeg was officially adopted by the governing bodies of The University during the academic session of 1972-73. The elements found within the Coat of Arms have been associated over the years with both Manitoba and Wesley Colleges, the ancestors of United College. The bunch of grapes in the lower portion of the inner shield derives from the Coat of Arms of Manitoba College. The grape symbol has its origin in the College seal adopted in the charter of 1871. The cross, the lamp, and the open book derive from the Coat of Arms of Wesley College, designed in 1897 by Dr. J.H. Riddell. The cross – the symbol of sacrificial service in the interest of humanity – was the basis for his design and upon it he placed a shield – the symbol of protection. The lamp – the symbol of light – also represents learning, to which the Colleges have been devoted for over a century in the Province of Manitoba. The open book – representing instruction in the way of life and the bringing of understanding to the student – symbolizes knowledge in a general sense, although it may carry overtones of the Holy Scriptures in a more limited interpretation.

The motto, placed upon a scroll below, is the United College motto, here retained: *Lux et Veritas Floreant* (Let Light and Truth Flourish). The words catch the central import of the lamp (light) and the open book (truth), and express the hope that both may flourish (as the grape) in our country (the cross).

Teaching of the Star Blanket

Across many Indigenous Nations, the foundational understanding is that we are all related. This understanding includes our relationship to all beings everywhere – and to all things, from the earth to the sky and beyond. In this understanding, we are beings that come from the stars and our relationship extends to this dimension. The teachings and gifts of the Star Blanket extend from this understanding.

The teaching of the Star Blanket is different across nations. Though the purpose remains the same, it is a healing modality.

From the Ojibwe comes the story of a young baby that had an incurable illness. Her family took her to a medicine woman, who after four days was given the teaching to make a Star Blanket and wrap the little one in it. It was the star people that would do the healing. After four days of ceremony, the little girl was unwrapped.

From the Dakota comes the teaching that the blanket represents the star that we come from, and to be wrapped in the blanket reconnects to our original home and a place of safety.

From the Cree comes a similar teaching, though the points of the star are different.

Today, the Star Blanket is often used as a gift of honour and recognition of relationships. How honourable it is indeed to be given a gift that reconnects the recipient to the spirit of all things.

A World of Diversity

Our campus is a place of inclusion and the diversity of our student population is a tremendous strength. While some of our students grew up around the corner, others come from First Nations and Treaty areas across Manitoba, from provinces across Canada, and from communities around the globe. They have come here to learn and grow – and we are proud to help them prepare for a bright future and get ready to make their mark on the world.

The University of Winnipeg’s 123rd Convocation includes graduates from:
