

Convocation Celebration

FALL 2025

THE UNIVERSITY OF
WINNIPEG

Today you cross
the path from
students to alumni.

Messages to the Graduands

From the Chancellor

Congratulations Graduands!

It's been a privilege to serve as your Chancellor and to celebrate with you as you graduate and move forward toward your chosen career.

Convocation is an important time to come together as fellow scholars, community members, family, and friends to recognize and celebrate your success. You've learned new ways of looking at the world and gained the knowledge and skills required to become leaders.

During your time at UWinnipeg, you accomplished many great things and demonstrated a drive and passion that will fuel your path forward in life. You don't have to look far to find University of Winnipeg graduates leading initiatives, volunteering their time, and championing change that makes an impact locally, nationally, and globally.

This tight-knit community is rooting for you as you launch your career or take the next steps in your post-secondary journey.

We are so proud, and I know only great things are ahead for you!

Chancellor

The University of Winnipeg

From the President

Congratulations Graduates!

Convocation is a special time for our University community and an important opportunity to celebrate your academic success.

During your time at The University of Winnipeg, you have developed critical-thinking skills, experienced the value of diverse viewpoints, and gained knowledge and skills to help you contribute to a better society.

Whether you are continuing your studies or pursuing your career, I know you will become leaders in your communities. Your voices are important to the future of our province, country, and world.

On behalf of the Board of Regents and our entire University of Winnipeg community, I extend our sincere congratulations.

President and Vice-Chancellor
The University of Winnipeg

From the Alumni Association

Today is no ordinary day. It's a milestone—a turning point. For some of you, it's been years of hard work, late nights, and maybe even a few moments when you wondered if you'd make it. But here you are. You did it.

I graduated in 2022 with an Honours degree in Psychology and have the pleasure of serving as the President of the University of Winnipeg Alumni Association (UWAA).

On behalf of the University of Winnipeg Alumni Council, and more than 50,000 graduates across the world, I'm thrilled to welcome you to the University family.

As you walk across this stage today, you don't leave this university behind—you carry it with you.

You are now part of a living, breathing legacy—of thinkers, leaders, builders, and changemakers whose journeys began right where you're sitting now.

The Alumni Council is here to connect, support, and celebrate you, not just today, but in every chapter to come.

Ann Evangelista

President

The University of Winnipeg Alumni Association

From the PACE Executive Director

To the Graduates of 2025,

On behalf of the staff and instructors at The University of Winnipeg Professional, Applied and Continuing Education (PACE) I offer you our most sincere congratulations on your graduation today. We consider ourselves lucky to have been on this journey with you as you studied at PACE. Whether you studied part-time or were at PACE for a full time program, we know it took a lot of commitment to complete your studies. Completing your program demonstrates your hard work and dedication to earn a new credential, despite the many challenges placed in your way.

Now that you have reached the end of this journey, it is time to celebrate your accomplishment. Earning your certificate or diploma was a huge investment in yourself, so take the time to reflect on what you have learned both inside and outside the classroom. You are now prepared to do anything you want, as you have proven you have what it takes to be successful. The world is a better place with you in it.

We are so thankful that you choose PACE as your place of study. Please stay connected with us now that you are a graduate, as there are many opportunities to come back as mentors, guest speakers, or attend some of our events. Some of you will become employers of future graduates, or even future PACE instructors. Your new journey has just begun!

Congratulations graduates and best wishes in your future endeavors.

Honourees

Marnie Loewen

BA

Marsha Hanen Award for Excellence in Creating Community Awareness

Marnie Loewen has played an essential role in shaping the perception of The University of Winnipeg in her 26 years on campus.

As Website Administrator, her work has a large and lasting impact. The website is the gateway where prospective students, researchers, industry partners, and the general public engages with us. Marnie ensures that our website reflects the excellence of our academic community.

Marnie's contributions go beyond the technical. She cultivates a campus-wide culture of collaboration and respect, patiently supporting faculty and staff across departments in maintaining high-quality web content. Despite having the help of only one other part-time staff member, she provides expert guidance to countless users across the University.

She is a champion for accessibility, consistently pushing for improvements that make our digital presence more inclusive. She has been instrumental in several website redesigns, including the current version. She spearheaded a site-wide update to align with evolving web standards, further enhancing accessibility and functionality.

The impact of Marnie's decades of work cannot be overstated. The University of Winnipeg, though smaller in size compared to many Canadian universities, has a website at the forefront of visual design, accessibility, and mobile usability.

Marnie exemplifies the spirit of this award. Her hard work, technical skills, and drive to continually learn has significantly enhanced community awareness of all UWinnipeg offers.

The University of Winnipeg is proud to honour Marnie Loewen with the *Marsha Hanen Award for Excellence in Creating Community Awareness*.

Honourees

Angeline Nelson

BSc

Clarence Atchison Award for Excellence in Community Service

Angeline Nelson credits many of her lifelong teachers whose life of service instilled in her a sense of responsibility to her community. She has dedicated her life to creating opportunities and fostering inclusion in STEM for underserved communities, particularly Indigenous youth. Through her visionary leadership at the Wii Chiiwaakanak Learning Centre and her commitment to culturally relevant and accessible education, she has made a profound impact on our community.

The Wii Chiiwaakanak Learning Centre provides critical programming for over 2,800 children, families, and community members annually. She has built partnerships with community organizations such as Community Education Development Association (CEDA), Spence Neighborhood Association, and several schools within the Winnipeg School Division. These programs have opened doors for children and created entryways to UWinnipeg.

She has served on many internal committees, such as the Indigenous Summer Scholars Program, Pathways to Graduate Studies, Indigenous Leaders in Science, and Indigenous Language Immersion in Anishinaabemowin. She also serves on several external boards

and committees: Service Learning Working Group, University of Manitoba; Indigenous Professionals Initiative Committee, Engineers Geoscientists Manitoba; Science Rendezvous; Sunshine House Board of Directors, Minnaweywigaan Board, and Community Education Development Association.

Angeline's work has had a transformative effect. She has expanded career possibilities for youth, and through her advocacy and fundraising, has helped reduce systemic barriers to success in these fields. The Centre's programs ensure that youth from low-income or marginalized backgrounds have the same opportunities as their more privileged peers.

Angeline, with the support of her team, works tirelessly to create spaces where Indigenous knowledge is valued, Indigenous youth feel seen, and Indigenous voices are amplified. She is creating long-lasting change and inspiring the next generation of scientists, leaders, and innovators.

The University of Winnipeg is proud to honour Angeline Nelson with the *Clarence Atchison Award for Excellence in Community Service*.

Honourees

Scott Oake

Honorary Doctor of Laws LL.D

Scott Oake is a celebrated Canadian sports journalist, whose career spans five decades. A fixture on Hockey Night in Canada, he has covered 14 Olympic Games and earned a Gemini Award for excellence in broadcasting. He is a Member of the Order of Canada, the Order of Manitoba, and the Manitoba Hockey Hall of Fame.

While his contributions to Canadian sport are widely recognized, Oake's most profound impact lies in his advocacy for addiction recovery. The rise in addiction has gripped Canada over the last decade, devastating far too many, including Oake.

Following the tragic loss of his son Bruce to addiction, Oake and his late wife Anne channeled their grief into action, founding the Bruce Oake Recovery Centre. This non-profit facility provides long-term treatment to individuals seeking recovery. His unwavering will addresses the needs of persons struggling with addiction who lack access to treatment—offering not just care, but dignity and hope.

Oake's vision and determination helped overcome countless obstacles—from acquiring land and engaging the community to raising funds and reducing stigma. His work helped reframe addiction as a treatable disease, opening the door for compassionate, accessible recovery services in Winnipeg.

Following Anne's passing, Oake once again turned personal loss into purpose. Plans are now under way for the Anne Oake Family Recovery Centre, which will serve women and their children—furthering a legacy of love and healing.

Oake's dedication is personal, tireless, and deeply rooted in love for his community.

The University of Winnipeg is proud to bestow an *Honorary Doctor of Laws* on Scott Oake for his broadcasting, advocacy, and unwavering compassion that has changed lives.

Dominique Chudd

MA in Cultural Studies

Valedictorian

Valedictorian Dominique Chudd is graduating with a Master of Arts in Cultural Studies.

Born and raised in Gimli, Dominique chose UWinnipeg for its tight-knit community, which reminded them of the friendliness of a small town. They completed two bachelor's degrees, in Biochemistry and English, before entering the Faculty of Graduate Studies.

Dominique's research focuses on how meaning and power are contested in medicine and healthcare. Their work experience included a medical assistantship at the Women's Health Clinic, and an administrative support role with the Sport Manitoba Clinic.

During their master's studies, Dominique also served as a Research Assistant, helping to archive data collected for the federally-funded Six Seasons of the Asiniskaw Īthinīwak (Rocky Cree) Project. They enjoyed the opportunity to work alongside UWinnipeg faculty and Elders from Rocky Cree communities in northern Manitoba.

As a graduate student, Dominique was a regular at Métis beading circles and at a reading group hosted by the Centre for Research in Cultural Studies. Their extra-curricular pursuits include Ukrainian dance and recreational soccer, ultimate Frisbee, and volleyball.

Dominique received numerous awards and scholarships at UWinnipeg, including making the Dean's Honour List seven times. They also twice received the Westshore Community Foundation Scholarship, a community award for students from the Interlake area of Manitoba.

Dominique has already begun a two-year master's program at the University of Manitoba to become a Physician Assistant. Their goal is to establish a health-care practice that challenges medical discrimination and promotes holistic, community-based care.

The University of Winnipeg is proud to honour Dominique Chudd as valedictorian.

Retirement of the Procession

St. Andrew's Pipe Band

The audience is requested to remain in place until the academic procession has retired.

An informal reception will be held immediately following the ceremony in Riddell Hall.

The background of the page is a large, faint, red-tinted crest of the University of Winnipeg. The crest features a shield with a lamp of knowledge in the upper left, an open book in the upper right, a cluster of grapes in the lower right, and a scroll at the bottom with the word 'LUX' and a cross. A banner across the middle of the shield contains the motto 'VERITAS LIBERABIT VOS'.

Convocation Tradition

Academic Dress

Academic dress originated in medieval times to provide warmth in the damp halls of learning. In its present form, it includes a gown, hood (worn over the shoulders), and a cap or mortarboard. All universities have distinctive dress for each degree offered, which explains the variety seen in the academic procession.

The University of Winnipeg academic dress conforms to the North American Intercollegiate Code. All graduates wear a black gown, which varies according to the degree conferred. The bachelor's gown is worn closed in front and is distinguished by its pointed sleeves. The master's gown is designed to be worn either open or closed in front and has closed sleeves with an opening to free the hands. The front portion of the sleeve below the opening has a long semi-circular cut-out. Doctorate gowns also may be worn open or closed. They are faced with velvet.

The edging colour on the hood indicates the faculty in which a degree is conferred: Graduate Studies – red; Science – gold; Education – blue; Arts – white; Business and Economics – brown; Kinesiology and Applied Health – green.

The width of edging is determined by the degree: three inches for doctors; two for masters and bachelors. Hoods are lined in red with a white chevron.

Honorary doctors' gowns are red in colour and are faced with white velvet. They are worn with red Tudor bonnets. The hood colour signifies the honorary degree: white for Laws; golden yellow for Science; admiralty blue for Letters; purple for Divinity. Hoods are lined in red and white – The University of Winnipeg colours. Fellows wear a gown of blue with neither hat nor hood. Members of the University's senior administration wear gowns of varying colours. They do not wear hoods.

Indigenous Graduation Stoles

Indigenous graduates wear stoles designed by Leticia Spence, a two-spirit graphic designer and illustrator from Pimicikmak.

The vines are made of Czech seed beads and bugle beads, and the florals include a butterfly motif created from wild roses, a Dakota rose with a geometric influence, a cloudberry to bring in an Inuit element, and a thirteen-petaled flower to represent the thirteen moon cycles.

At the top of the stole, a rosebud floral symbolizes growth, tying into the journey of a student. The design is symmetrical, as balance and harmony are key elements in Indigenous artwork and beadwork.

The University of Winnipeg Coat of Arms

The Coat of Arms of The University of Winnipeg was officially adopted by the governing bodies of The University during the academic session of 1972-73. The elements found within the Coat of Arms have been associated over the years with both Manitoba and Wesley Colleges, the ancestors of United College. The bunch of grapes in the lower portion of the inner shield derives from the Coat of Arms of Manitoba College. The grape symbol has its origin in the College seal adopted in the charter of 1871. The cross, the lamp, and the open book derive from the Coat of Arms of Wesley College, designed in 1897 by Dr. J.H. Riddell. The cross – the symbol of sacrificial service in the interest of humanity – was the basis for his design and upon it he placed a shield – the symbol of protection. The lamp – the symbol of light – also represents learning, to which the Colleges have been devoted for over a century in the Province of Manitoba. The open book – representing instruction in the way of life and the bringing of understanding to the student – symbolizes knowledge in a general sense, although it may carry overtones of the Holy Scriptures in a more limited interpretation.

The motto, placed upon a scroll below, is the United College motto, here retained: *Lux et Veritas Floreant* (Let Light and Truth Flourish). The words catch the central import of the lamp (light) and the open book (truth), and express the hope that both may flourish (as the grape) in our country (the cross).

Teaching of the Star Blanket

Across many Indigenous Nations, the foundational understanding is that we are all related. This understanding includes our relationship to all beings everywhere – and to all things, from the earth to the sky and beyond. In this understanding, we are beings that come from the stars and our relationship extends to this dimension. The teachings and gifts of the Star Blanket extend from this understanding.

The teaching of the Star Blanket is different across nations. Though the purpose remains the same, it is a healing modality.

From the Ojibwe comes the story of a young baby that had an incurable illness. Her family took her to a medicine woman, who after four days was given the teaching to make a Star Blanket and wrap the little one in it. It was the star people that would do the healing. After four days of ceremony, the little girl was unwrapped.

From the Dakota comes the teaching that the blanket represents the star that we come from, and to be wrapped in the blanket reconnects to our original home and a place of safety.

From the Cree comes a similar teaching, though the points of the star are different.

Today, the Star Blanket is often used as a gift of honour and recognition of relationships. How honourable it is indeed to be given a gift that reconnects the recipient to the spirit of all things.

A World of Diversity

Our campus is a place of inclusion, and the diversity of our student population is a tremendous strength. While some of our students grew up around the corner, others come from First Nations and Treaty areas across Manitoba, from provinces across Canada, and from communities around the globe. They have come here to learn and grow, and we are proud to help them prepare for a bright future and get ready to make their mark on the world.

The University of Winnipeg's 127th Convocation includes graduates from:
