Messages to the Graduands

From the Chancellor

Congratulations Graduands!

It's been a privilege to serve as your Chancellor and to celebrate with you as you graduate and move forward toward your chosen career.

Convocation is an important time to come together as fellow scholars, community members, family, and friends to recognize and celebrate your success. You've learned new ways of looking at the world and gained the knowledge and skills required to become leaders.

During your time at UWinnipeg, you accomplished many great things and demonstrated a drive and passion that will fuel your path forward in life. You don't have to look far to find University of Winnipeg graduates leading initiatives, volunteering their time, and championing change that makes an impact locally, nationally, and globally.

This tight-knit community is rooting for you as you launch your career or take the next steps in your post-secondary journey.

We are so proud and I know only great things are ahead for you!

Barb Gamey

Chancellor

From the Interim President

Congratulations Graduands!

Today, we are gathered to celebrate your success. Whether you are launching a career, pursuing further studies, or taking off to explore the world—you have reached an important milestone today.

As you look ahead to the next step in your journey, I hope you will take a moment to reflect on how far you have come. Here, as part of our UWinnipeg community, you have gained the skills you need to build the future you want, one that is entirely your own. The achievements you celebrate here today are only the beginning of what you can accomplish.

On behalf of the Board of Regents and our entire University of Winnipeg community, congratulations!

Dr. Jino Distasio

Interim President and Vice-Chancellor

From the Alumni Association

Today is no ordinary day. It's a milestone—a turning point. For some of you, it's been years of hard work, late nights, and maybe even a few moments when you wondered if you'd make it. But here you are. You did it.

I graduated in 2022 with an Honours degree in Psychology and have the pleasure of serving as the President of the University of Winnipeg Alumni Association (UWAA).

On behalf of the University of Winnipeg Alumni Council, and more than 80,000 alumni across the world, I'm thrilled to say: Welcome to the family.

As you walk across this stage today, you don't leave this university behind—you carry it with you.

You are now part of a living, breathing legacy—of thinkers, leaders, builders, and changemakers whose journeys began right where you're sitting now.

The Alumni Council is here for you—to connect, support, and celebrate you, not just today, but in every chapter to come.

Ann Evangelista

President, University of Winnipeg Alumni Association

From the PACE Executive Director

To the Graduates of 2026,

On behalf of the staff and instructors at The University of Winnipeg Professional, Applied and Continuing Education (PACE) I offer you our most sincere congratulations on your graduation today. We consider ourselves lucky to have been on this journey with you as you studied at PACE. Whether you studied part-time or were at PACE for a full time program, we know it took a lot of commitment to complete your studies. Completing your program demonstrates your hard work and dedication to earn a new credential, despite the many challenges placed in your way.

Now that you have reached the end of this journey, it is time celebrate your accomplishment. Earning your certificate or diploma was a huge investment in yourself, so take the time to reflect on what you have learned both inside and outside the classroom. You are now prepared to do anything you want, as you have proven you have what it takes to be successful. The world is a better place with you in it.

We are so thankful that you choose PACE as your place of study. Please stay connected with us now that you are a graduate, as there are many opportunities to come back as mentors, guest speakers, or attend some of our events. Some of you will become employers of future graduates, or even future PACE instructors. Your new journey has just begun!

Congratulations graduates and best wishes in your future endeavors.

Michael Weinrath

BA, MA, PhD

Professor Emeritus

Over nearly three decades at UWinnipeg, Dr. Michael Weinrath has built an exemplary record of scholarship, teaching, leadership, and service with influence extending beyond the University. Drawing on earlier experience with Alberta Correctional Services, he has produced research that informs public policy and debate across Canada's criminal justice system.

Dr. Weinrath is recognized nationally for his scholarship on prison life and work, pre-trial detention, sentencing, and disparities experienced by Indigenous Peoples in Canada's justice system.

His widely cited book, *Behind the Walls: Inmates and Correctional Officers on the State of Canadian Prisons*, remains a touchstone for understanding prison environments. He has authored 45 peer-reviewed publications, many co-authored with students, as well as 69 research and expert witness reports in addition to being a media commentator.

His contributions to UWinnipeg have been significant. Convocation Tradition

Academic Dress

Academic dress originated in medieval times to provide warmth in the damp halls of learning. In its present form, it includes a gown, hood (worn over the shoulders), and a cap or mortarboard. All universities have distinctive dress for each degree offered, which explains the variety seen in the academic procession.

The University of Winnipeg academic dress conforms to the North American Intercollegiate Code. All graduates wear a black gown, which varies according to the degree conferred. The bachelor's gown is worn closed in front and is distinguished by its pointed sleeves. The master's gown is designed to be worn either open or closed in front and has closed sleeves with an opening to free the hands. The front portion of the sleeve below the opening has a long semi-circular cut-out. Doctorate gowns also may be worn open or closed. They are faced with velvet.

The edging colour on the hood indicates the faculty in which a degree is conferred: Graduate Studies – red; Science – gold; Education – blue; Arts – white; Business and Economics – brown; Kinesiology and Applied Health – green.

The width of edging is determined by the degree: three inches for doctors; two for masters and bachelors. Hoods are lined in red with a white chevron.

Honorary doctors' gowns are red in colour and are faced with white velvet. They are worn with red Tudor bonnets. The hood colour signifies the honorary degree: white for Laws; golden yellow for Science; admiralty blue for Letters; purple for Divinity. Hoods are lined in red and white – The University of Winnipeg colours. Fellows wear a gown of blue with neither hat nor hood. Members of the University's senior administration wear gowns of varying colours. They do not wear hoods.

Indigenous Graduation Stoles

Indigenous graduates wear stoles designed by Leticia Spence, a two-spirit graphic designer and illustrator from Pimicikmak.

The vines are made of Czech seed beads and bugle beads, and the florals include a butterfly motif created from wild roses, a Dakota rose with a geometric influence, a cloudberry to bring in an Inuit element, and a thirteen-petaled flower to represent the thirteen moon cycles.

At the top of the stole, a rosebud floral symbolizes growth, tying into the journey of a student. The design is symmetrical, as balance and harmony are key elements in Indigenous artwork and beadwork.

The University of Winnipeg Coat of Arms

The Coat of Arms of The University of Winnipeg was officially adopted by the governing bodies of The University during the academic session of 1972–73. The elements found within the Coat of Arms have been associated over the years with both Manitoba and Wesley Colleges, the ancestors of United College. The bunch of grapes in the lower portion of the inner shield derives from the Coat of Arms of Manitoba College. The grape symbol has its origin in the College seal adopted in the charter of 1871. The cross, the lamp, and the open book derive from the Coat of Arms of Wesley College, designed in 1897 by Dr. J.H. Riddell. The cross – the symbol of sacrificial service in the interest of humanity – was the basis for his design and upon it he placed a shield – the symbol of protection. The lamp – the symbol of light – also represents learning, to which the Colleges have been devoted for over a century in the Province of Manitoba. The open book – representing instruction in the way of life and the bringing of understanding to the student – symbolizes knowledge in a general sense, although it may carry overtones of the Holy Scriptures in a more limited interpretation.

The motto, placed upon a scroll below, is the United College motto, here retained: Lux et Veritas Floreant (Let Light and Truth Flourish). The words catch the central import of the lamp (light) and the open book (truth), and express the hope that both may flourish (as the grape) in our country (the cross).

Teaching of the Star Blanket

Across many Indigenous Nations, the foundational understanding is that we are all related. This understanding includes our relationship to all beings everywhere – and to all things, from the earth to the sky and beyond. In this understanding, we are beings that come from the stars and our relationship extends to this dimension. The teachings and gifts of the Star Blanket extend from this understanding.

The teaching of the Star Blanket is different across nations. Though the purpose remains the same, it is a healing modality.

From the Ojibwe comes the story of a young baby that had an incurable illness. Her family took her to a medicine woman, who after four days was given the teaching to make a Star Blanket and wrap the little one in it. It was the star people that would do the healing. After four days of ceremony, the little girl was unwrapped.

From the Dakota comes the teaching that the blanket represents the star that we come from, and to be wrapped in the blanket reconnects to our original home and a place of safety.

From the Cree comes a similar teaching, though the points of the star are different.

Today, the Star Blanket is often used as a gift of honour and recognition of relationships. How honourable it is indeed to be given a gift that reconnects the recipient to the spirit of all things.
