Congratulations Graduands!

It's been a privilege to serve as your Chancellor and to celebrate with you as you graduate and move forward toward your chosen career.

During your time at UWinnipeg, you accomplished many great things and demonstrated a drive and passion that will fuel your path forward in life. You don't have to look far to find University of Winnipeg graduates leading initiatives, volunteering their time, and championing change that makes an impact locally, nationally, and globally.

This tight-knit community is rooting for you as you launch your career or take the next steps in your post-secondary journey.

We are so proud and I know only great things are ahead for you!

From the President

Congratulations Graduands!

Convocation is a special time for our University community and an important opportunity to celebrate your academic success.

During your time at The University of Winnipeg, you have developed critical-thinking skills, experienced the value of diverse viewpoints, and gained knowledge and skills to help you contribute to a better society.

Whether you are continuing your studies or pursuing your career, I know you will become leaders in your communities. Your voices are important to the future of our province, country, and world.

From the Alumni Association

Congratulations to the Class of 2024!

As each of you crosses the stage and receives your degree here today, it is my sincere pleasure to warmly welcome you as the newest members of The University of Winnipeg Alumni Association.

I would like to also recognize the members of your communities who helped you reach this milestone - those who provided you with strength, support, and inspiration each step of the way. They are an important part of your story and share in the celebration of your success.

Today, you may also be thinking about saying goodbye - to familiar faces, everyday routines, and your favorite places on campus. As alumni, however, you will always be an important part of this University community.

I studied Education at the University and played Wesmen basketball. I recently retired from a 41-year career as a teacher and administrator. This community has been an important part of my life, and I hope that each of you will find your own meaningful ways to stay connected to UWinnipeg.

Our vibrant Alumni Association offers a variety of opportunities for networking, personal and professional development, and contributing to the life of the University. Some ways to get involved include joining our online UWinnipeg Connect community, volunteering, and attending lectures and special events. As a member of the Alumni Association, you will always be welcome here.

Sincerely,

Brent Corrigan

President

The University of Winnipeg Alumni Association

From the PACE Executive Director

To the Graduates of 2024,

On behalf of the staff and instructors at The University of Winnipeg Professional, Applied and Continuing Education (PACE) I offer you our most sincere congratulations on your graduation today. We consider ourselves lucky to have been on this journey with you as you studied at PACE. Whether you studied part-time or were at PACE for a full time program, we know it took a lot of commitment to complete your studies. Completing your program demonstrates your hard work and dedication to earn a new credential despite the many challenges placed in your way.

Now that you have reached the end of this journey it is time to celebrate your accomplishment. Earning your certificate or diploma was a huge investment in yourself, so take the time to reflect on what you have learned both inside and outside the classroom. You are now prepared to do anything you want as you have proven you have what it takes to be successful. The world is a better place with you in it.

We are so thankful that you choose PACE as your place of study. Please stay connected with us now that you are a graduate, as there are many opportunities to come back as mentors, guest speakers, or attend some of our events. Some of you will become employers of future graduates, or even future PACE instructors. Your new journey has just begun!

Congratulations graduates and best wishes in your future endeavors.

Honourees

Honourees

Stephen Borys

OM, PhD, MA, EMBA, BA (Hons)

Honorary Doctor of Letters

Dr. Stephen Borys is a fierce advocate for the power of art to change lives and communities.

Director and CEO of the Winnipeg Art Gallery since 2008, Dr. Borys has led the institution to international prominence while expanding its role and purpose.

Under his leadership, the WAG has developed into a community classroom, a training centre, and an employer for our undergraduate and graduate students, while taking substantial steps toward decolonization and reconciliation.

Dr. Borys has worked to dismantle the hierarchy of the curatorial world and to recognize the systemic biases within the disciplines of art history and collecting. He has sought out the perspectives of Indigenous academics and elders, and initiated the WAG's first institution-wide equity study.

A recognized leader in museological studies in Canada and the United States, he oversaw the development of Canada's Inuit art centre, Qaumajuq, now home to the largest public collection of contemporary Inuit art in the world.

Since 2011, Dr. Borys has taught as an Adjunct Professor in UWinnipeg's Department of Art History, where he has inspired many future curators with his formative course, "The Idea of the Museum." He helped design the first master's degree in curation in Manitoba, which now attracts students from across Canada, and created the "Art of Cultural Management" seminar in the Faculty of Business and Economics. His commitment supports Winnipeg's vibrant arts scene.

He has organized countless exhibitions, written many catalogues and scholarly articles, lectured internationally, received numerous research and exhibition grants, and completed extensive board and committee work.

Dr. Borys was awarded the Peter Herrndorf Arts Leadership Award in 2023, the Order of Manitoba in 2020, and the Queen Elizabeth II Platinum and Diamond Jubilee Medals in 2022 and 2012. As an alumnus of UWinnipeg, he shows the heights our graduates can reach.

For his outstanding achievements to Manitoba's and Canada's arts communities, and for establishing a model for how to incorporate reconciliation into curatorial and institutional practice, The University of Winnipeg is proud to bestow an *Honorary Doctor of Letters* on Stephen Borys.

Honourees

Rosa Walker

Bachelor of Arts (BA)

Throughout her career, she has formed key partnerships with institutions, government, the private sector, Indigenous Peoples and communities around the world to advance First Nations participation in leadership and business development.

She is currently the Founder, President, and CEO of the Indigenous Leadership Development Institute, Inc. She has an extraordinary business acumen in fostering education, training, and development opportunities to empower Indigenous youth, women, and communities.

In 2010, she launched the World Indigenous Business Forum (WIBF) to promote Indigenous economic development. WIBF has taken place in countries across the world including the USA, Australia, Namibia, Guatemala, Chile, New Zealand, Canada, Colombia, and Papua New Guinea.

She was a former board member of the National Aboriginal Economic Development Board. She served as an advisory member to the executive director of the Global College at UWinnipeg and was an advisory member to the Dean of Business Administration. The UWinnipeg Alumni Association Council is proud to recognize Rosa Walker with the *Distinguished Alumni Award*.

Honourees

Kate Binesigichidaakwe McDonald

4-Year Bachelor of Arts in Indigenous Languages

Valedictorian

When Kate first attended UWinnipeg, she was right out of high school and was working on a degree in English and Political Science. But life had other plans for her.

She left school just two credits away from her degree, and began the work of motherhood, connecting with her own birth mother, and writing her first book, *Carving My Name*.

Through the years, her University career became more distant, but her work in language reclamation and revitalization ultimately brought her back to school. She listened to Elders and first speakers talk about the importance of languages, and how people need to pick up the work they had started to keep moving the Anishinaabemowin language forward.

Kate is graduating with a 4-year Bachelor of Arts in Indigenous Languages and a certificate in Teaching Indigenous Languages for Vitality.

Kate teaches Anishinaabemowin through Wii Chiiwaakanak, where she first started her language learning journey in community classes.

She received a research grant for her project, Gidinwewin Gimiininaanaanig Odaanikoobijiganaginaan, which looks at how to pass on Anishinaabe Gikendaasowin/Ways of Knowing to future generations of language learners who may not have the opportunity to sit with first language speakers.

She also helped found an Anishinaabemowin language non-profit, Gaagige Ganawendamaang Anishinaabemowin. The non-profit will pilot an Anishinaabemowin immersion project in 2025 through a partnership with Dr. Shelley Tulloch and a Social Sciences and Humanities Research Council grant through UWinnipeg.

Kate is proud to be the first in her family to receive a university degree. She plans to continue her work in language reclamation - learning and teaching Anishinaabemowin, recording first speakers of Anishinaabemowin, and creating resources for future learners.

The University is proud to honour Kate Binesigichidaakwe McDonald as valedictorian.

The background of the page features a large, faint watermark of the University of Winnipeg crest. The crest is a shield-shaped emblem with a crown on top. It is divided into four quadrants: the top-left contains a lamp of knowledge, the top-right contains an open book, the bottom-left contains a sheaf of wheat, and the bottom-right contains a bunch of grapes. A banner at the bottom of the shield contains the Latin motto 'LUX' (Light).

Convocation Tradition

Academic Dress

Academic dress originated in medieval times to provide warmth in the damp halls of learning. In its present form, it includes a gown, hood (worn over the shoulders) and, a cap or mortarboard. All universities have distinctive dress for each degree offered, which explains the variety seen in the academic procession.

The University of Winnipeg academic dress conforms to the North American Intercollegiate Code. All graduates wear a black gown, which varies according to the degree conferred. The bachelor's gown is worn closed in front and is distinguished by its pointed sleeves. The master's gown is designed to be worn either open or closed in front and has closed sleeves with an opening to free the hands. The front portion of the sleeve below the opening has a long semi-circular cut-out. Doctorate gowns also may be worn open or closed. They are faced with velvet.

The edging colour on the hood indicates the faculty in which a degree is conferred: Graduate Studies – red; Science – gold; Education – blue; Arts – white; Business and Economics – brown; Kinesiology and Applied Health – green.

The width of edging is determined by the degree: three inches for doctors; two for masters and bachelors. Hoods are lined in red with a white chevron.

Honorary doctors' gowns are red in colour and are faced with white velvet. They are worn with red Tudor bonnets. The hood colour signifies the honorary degree: white for Laws; golden yellow for Science; admiralty blue for Letters; purple for Divinity. Hoods are lined in red and white – The University of Winnipeg colours. Fellows wear a gown of blue with neither hat nor hood. Members of the University's senior administration wear gowns of varying colours. They do not wear hoods.

Indigenous Graduation Stoles

Destiny Seymour is an Anishinaabe interior designer who is creating her own textiles that are reviving local Indigenous pottery and bone tool patterns from Manitoba. These ancient patterns have been dated from 400 to over 3,000 years old. Indigo Arrows is a company founded by Destiny that turns these textiles into modern home goods.

Destiny was approached to design custom graduation stoles for the Indigenous graduating students of The University of Winnipeg.

Each linen stole is handmade and block printed in Winnipeg. The pattern design is inspired by the repeated and delicate pattern stamping found on local Indigenous pottery, with colours reflecting The University of Winnipeg.

The University of Winnipeg Coat of Arms

The Coat of Arms of The University of Winnipeg was officially adopted by the governing bodies of The University during the academic session of 1972-73. The elements found within the Coat of Arms have been associated over the years with both Manitoba and Wesley Colleges, the ancestors of United College. The bunch of grapes in the lower portion of the inner shield derives from the Coat of Arms of Manitoba College. The grape symbol has its origin in the College seal adopted in the charter of 1871. The cross, the lamp, and the open book derive from the Coat of Arms of Wesley College, designed in 1897 by Dr. J.H. Riddell. The cross – the symbol of sacrificial service in the interest of humanity – was the basis for his design and upon it he placed a shield – the symbol of protection. The lamp – the symbol of light – also represents learning, to which the Colleges have been devoted for over a century in the Province of Manitoba. The open book – representing instruction in the way of life and the bringing of understanding to the student – symbolizes knowledge in a general sense, although it may carry overtones of the Holy Scriptures in a more limited interpretation.

The motto, placed upon a scroll below, is the United College motto, here retained: *Lux et Veritas Floreant* (Let Light and Truth Flourish). The words catch the central import of the lamp (light) and the open book (truth), and express the hope that both may flourish (as the grape) in our country (the cross).

Teaching of the Star Blanket

Across many Indigenous Nations, the foundational understanding is that we are all related. This understanding includes our relationship to all beings everywhere – and to all things, from the earth to the sky and beyond. In this understanding, we are beings that come from the stars and our relationship extends to this dimension. The teachings and gifts of the Star Blanket extend from this understanding.

The teaching of the Star Blanket is different across nations. Though the purpose remains the same, it is a healing modality.

From the Ojibwe comes the story of a young baby that had an incurable illness. Her family took her to a medicine woman, who after four days was given the teaching to make a Star Blanket and wrap the little one in it. It was the star people that would do the healing. After four days of ceremony, the little girl was unwrapped.

From the Dakota comes the teaching that the blanket represents the star that we come from, and to be wrapped in the blanket reconnects to our original home and a place of safety.

From the Cree comes a similar teaching, though the points of the star are different.

Today, the Star Blanket is often used as a gift of honour and recognition of relationships. How honourable it is indeed to be given a gift that reconnects the recipient to the spirit of all things.
