

Student number:	Given name(s):	Surname:
University email address:		Phone number:
Complete course section number: (ex. GBIO-7103-008)		Course term (only regularly-scheduled Fall/Winter Term 2019/2020 or Winter Term 2020 grades may be adjusted):
Course Title:		Current grade:

I understand that due to the COVID-19 public health emergency, University of Winnipeg students may choose how their grades will affect their grade point average (GPA) calculation for Fall/Winter Term 2019/2020 and Winter Term 2020 and that regular grading is the default option.

I choose the following:

Check one

Alternative grading option #1*:

To have my final course mark appear on my transcript, but to not count toward my GPA. A notation will be added beside the course title to indicate that it is not included in the GPA. I understand, however, it is there to be used as a prerequisite for other courses as required.

Alternative grading option #2*:

To have a pass/fail option (Standing or F) rather than a grade displayed on my transcript. This means I will have an 'S' on my transcript instead of a grade, provided I passed the course *with a minimum grade of C+*. My GPA is not lowered or raised with this option.

Program Advisor or Graduate Program Committee Chair's signature:

Date:

I understand that in selecting the above option now, I may only be able to change this decision through filing a final grade appeal.
