Job Posting - Position Description:

Are you a current student looking to pursue either a Coop term or Internship? At Deloitte, you will have the opportunity to work on a wide range of clients, while leveraging a diverse and powerful network to solve our clients' most pressing concerns and complex challenges.

What will your typical day look like?

Your role as junior staff member at Deloitte:

Learn Deloitte's audit innovations and methodology – you're not just reading numbers, you're understanding them.

Interact and develop global and cross-service line relationships at every level – build a network that lasts a lifetime.

Engrain yourself in a culture that fosters excellence – a place for you to learn, to grow, to create, to lead.

Understand the what, how, and why of change – always be ready to act ahead.

Explore the world with our clients – help them connect the dots.

With this said, no two days are the same. Our clients evolve and so do we.

About the team

Co-op & Intern students interested in pursuing their CPA designation are key members from day one. They are responsible for creating and nurturing positive relationships with key client contacts at every level. We know that we perform better when we connect with our clients.

Within your service areas, you will work with strategic team members to develop an understanding of the firm's business and the clients that you are serving. You will support organizations in different industries of all sizes to help them perform better and adapt to an ever-evolving future.

In this role, the expected qualifications are:

Working towards the completion of an undergraduate degree and pre-requisites for entry into the CPA Professional Education Program. You also have the intention to pursue a CPA designation.

Demonstrated leader, who takes initiative, in and out of the work environment by having strong interpersonal and team-building skills

Analytical and problem-solving skills

Outstanding communication skills, flexibility, humility, integrity and professionalism

Experience with MS office suite
