**Job Posting - Position Description:**

Magnus LLP is a Winnipeg based professional advisory firm providing services to publicly traded entities, owner managed businesses and not-for-profit organizations based in Manitoba, Ontario, Saskatchewan, Alberta and British Columbia. We have provided assurance, tax and business advisory services to our clients since 1975.

A CPA student with Magnus will receive exposure to a variety of public accounting assignments in various functional areas, including audits, small business reviews, compilations and taxation. You will work in a team-based environment and have the opportunity to work directly with clients in various industries on a wide range of files.

Our environment is focused on a balance between work and personal life. From top to bottom, Magnus maintains an open door policy for all staff. We are a growing firm with opportunities for continued advancement in public practice.

We offer a flexible work schedule to meet each individual's needs. We provide a positive and supportive professional environment, access to the latest technology and business tools, competitive compensation, a challenging career opportunity, and the prospect of working with our diverse group of entrepreneurial clients.

**Qualifications**

The ideal candidate would be pursuing a university degree with the goal of obtaining their CPA designation. You have obtained solid grades in your courses and have some work experience in accounting or other related work experience.

You possess excellent communication and listening skills and you are detail-oriented. You understand confidentiality requirements and your strong interpersonal skills and dedication to client service reflect your professionalism. You demonstrate commitment to team play and are self-motivated to consistently provide high quality service in a fast-paced environment.

We are an equal opportunity employer. We thank all candidates who apply.
