Job Posting - Position Description:

Scarrow & Donald LLP provides an environment where learning is key. CPA students learn by having direct contact with the partners and by having responsibility for all aspects of an assignment. Engagements vary. Our client base includes both public and private companies in manufacturing, real estate, trucking, mining, distribution, research and development, the professions, leasing, entertainment, hotels, car repair, travel, pharmacies, and construction. Our services include auditing, accounting, tax and tax planning. Our structure is informal, which allows for quick and meaningful feedback on your performance and development.

Engagements will vary, but a student will work directly with partners and senior staff while performing a variety of engagements including:

- Audits, Reviews and Compilations
- Bookkeeping/Write-Up
- Cash Flow & Budgeting Analysis
- Financial Forecasts & Projections
- Financial Statement Preparation
- Business Consulting
- Business Succession Planning
- Estate Planning
- Estate & Trust Tax Preparation
- Federal and Provincial Sales Tax (GST, HST, PST and QST)
- Tax Planning & Preparation

Qualifications:

- Desire to obtain CPA designation
- Self-motivated worker with ability to multitask
- Strong communication skills
- Accounting courses completed - please provide recent transcript
