

Athletic Therapy Program Transfer Student Applications

Students seeking to transfer to the BSc - Athletic Therapy degree at The University of Winnipeg are invited to submit an **Enhanced Major Application Form** after successful completion of a minimum of 60 credit hours of prescribed courses (equivalent to 2 years of study) or having completed a Kinesiology related degree.

Space in the Athletic Therapy program is limited, and not all eligible students may be admitted.

Transfer Students

- › Transfer students seeking admittance to the Athletic Therapy program for a September start are encouraged to apply to the University of Winnipeg by **January 31st** of the same year. This allows time for course transfer evaluations. Applications after that time will still be accepted.

Please visit www.uwinnipeg.ca/future-student/requirements/second-degree.html for Transfer Admission Requirements to the University of Winnipeg.

- › When choosing a major on the online application, select the 4-year Bachelor of Kinesiology.

- › **AT THE SAME TIME**, applicants are required to complete and submit the application form for the enhanced major in Athletic Therapy. Other supporting documents such as the reference letter and personal letter can be submitted up to **April 1st**. www.uwinnipeg.ca/dept-kinesiology/docs/athletic-therapy-enhanced-major-form1.pdf

Note: Admission to the University of Winnipeg does not guarantee admission to the Athletic Therapy program.

- › After submission of all necessary documents to the University of Winnipeg admissions department, course equivalency will be evaluated. Please be aware that only up to 60 credit hours of equivalent courses may be transferred from other post-secondary institutions. Courses in progress will be added to your application once an official transcript is submitted. Requirements for missing courses will be managed on a case-by-case basis.
- › After receipt of the list of transfer credits, students must consult with the department to determine which courses match the list of 60 credit hours of required courses listed below and determine what additional courses may be required:

BIOL-1112(6) Human Anatomy and Physiology
KIN-1101(3) Introduction to Kinesiology
KIN 1601(3) Nutrition Health and Wellness

KIN-2105(3) Sport & Exercise Psychology KIN-2202(3)
Prevention and Care of Sport Injuries – minimum B
grade required
KIN-2204 (3) Human Physiology ^a
KIN-2301(3) Human Anatomy – minimum B grade required
KIN-2304(3) Scientific Principles of Fitness and Conditioning
– minimum B grade required
KIN-3201(3) Biomechanics
KIN-3209(3) Motor Learning & Development
KIN-3505(3) Pathology in Sport Medicine
RHET-XXXX(3) Academic Writing ^b
 Statistic requirement ^c
 Research methods requirement ^d
 12 credit hours Humanities requirement
 3 credit hours Indigenous requirement

^a Pre-requisite to KIN 3106 Exercise Physiology.

^b Students who have the Academic Writing Requirement
waived will need to take a NON-KIN elective in its place.

^c STAT-1301(3) Statistical Analysis I OR STAT-1501(3)
Elementary Biological Statistics I OR PSYC-2101(3)
Intro to Data Analysis.

^d PSYC-2102(3) Intro to Research Methods OR SOC-2126(3)
Introduction to Research Design and Qualitative Research.

Enhanced Major Requirements

For Fall admission, the Enhanced Major Form and supporting documents must be submitted by **AT LEAST** April 1st of the intake year (see recommendation above). Required courses should be completed prior to the April 1st deadline. Courses completed in the Winter term prior to Fall admission are eligible, but Spring/Summer are not. Once admitted to the Athletic Therapy program, students will change their major to the 4-year BSc - Athletic Therapy. Students who do not receive admittance to the Athletic Therapy program are free to continue with their Kinesiology major change their major.

Students are encouraged to complete the Athletic Therapy program on a full-time basis.

Along with the Enhanced Major Application Form, the applicant needs to have completed the following:

- › **Course Assessment** - Successful completion of the prescribed 60 credits hours. (missing courses may be addressed on a case-by-case basis)
- › **GPA** - Minimum GPA of 3.0 with a regular status admission.
- › **Experience and Abilities** - Students must indicate their previous university/college experience as well as other skills that are relevant to a career in athletic therapy.
- › **Personal Letter** - Students must indicate in the personal letter why they want to become an Athletic Therapist and what their perception of what the profession entails.
- › **Reference Letter** - Submit at least one professional letter of support (preferably by a supervisory athletic therapist or other health care provider or an academic mentor.
- › **Valid certification** - Standard First Aid - Red Cross or equivalent, and Basic Life Support must be completed prior to beginning classes in the Athletic Therapy program.

Previous practical experience is considered in the admissions process but is not credited towards the practical hours required in the program.
