

## Athletic Therapy Program Changes:

As of March, 2019, all students planning to pursue the 4 year BSc - Athletic Therapy degree must submit an **Enhanced Major Form** after successful completion of 60 credit hours of prescribed courses (2 years of full-time study).

---

**Space in the Athletic Therapy program is limited and not all eligible students may be admitted.**

---

### Transfer Students

1) Students seeking admittance to the Athletic Therapy program for a September start must **apply to the University of Winnipeg prior to January 31** of the same year.

Please visit

<https://www.uwinnipeg.ca/future-student/admissions-req.html> for **Transfer Admission Requirements** to the University of Winnipeg.

2) When choosing a major on the online application, select the **4-year Bachelor of Kinesiology**.

---

**Admission to the University of Winnipeg does not guarantee admission to the Athletic Therapy program.**

---

3) After submission of all necessary documents to the University of Winnipeg admissions department, course equivalency will be evaluated. Please be aware only up to 60 credit hours of equivalent courses may be transferred from other post-secondary institutions.

4) After receipt of the list of transfer credits, students must check which credit hours match the list of 60 credit hours of prescribed courses:

### Enhanced Major Requirements

For Fall admission, the Enhanced Major Form must be submitted by **April 1** of the intake year. Required courses should be completed prior to the April 1 deadline. Courses completed in the Winter term prior to Fall admission are eligible, but Spring/Summer are not. Once admitted to the Athletic Therapy program, students will change their major to the 4 year BSc - Athletic Therapy. Students who do not receive admittance to the Athletic Therapy program are free to change their major.

---

**Completion of the Athletic Therapy program can only be pursued on a full-time basis.**

---

The Enhanced Major Form will be available in late fall and can be found here:

<https://www.uwinnipeg.ca/dept-kinesiology/degrees/4-yr-bsc-athletictherapy.html>

Along with the Enhanced Major Form, the applicant needs to have completed the following:

1. **Course Assessment** - Successful completion of the prescribed 60 credits hours.
2. **GPA** - Minimum GPA of 3.0 with a regular status admission.

3. **Experience and Abilities** - Students must indicate their previous university/college experience as well as other skills that are relevant to a career in athletic therapy.

4. **Personal Submission** - Students must indicate in the personal submission why they want to become an Athletic Therapist and what the profession entails.

5. **Reference Letter** - Submit one professional letter of support.

6. **Valid certification** - Standard First Aid - Red Cross or equivalent, and Basic Life Support must be completed prior to beginning classes in the Athletic Therapy program.

---

**Previous practical experience is considered in the admissions process but is not credited towards the practical hours required in the program.**
