

Athletic Therapy Program Transfer Student Applications:

All students planning to pursue the 4-year BSc - Athletic Therapy degree must submit an **Enhanced Major Form** after successful completion of 60 credit hours of prescribed courses (2 years of full-time study).

Space in the Athletic Therapy program is limited and not all eligible students may be admitted.

Transfer Students

1) Students seeking admittance to the Athletic Therapy program as a transfer student for a September start must apply to the University of Winnipeg **AT LEAST prior to January 31** of the same year. Early applications are encouraged, as this provides more time for course evaluations.

Please visit

<https://www.uwinnipeg.ca/future-student/requirements/second-degree.html>

for **Transfer Admission Requirements** to the University of Winnipeg.

2) When choosing a major on the online application, select the **4-year Bachelor of Kinesiology**.

Admission to the University of Winnipeg does not guarantee admission to the Athletic Therapy program.

3) **AT THE SAME TIME**, applicants should notify the Department of Kinesiology and Applied Health via email of their intent to apply for the Enhanced Major Program (kinesiology@uwinnipeg.ca) and submit the completed application for the enhanced major in Athletic Therapy.

<https://www.uwinnipeg.ca/dept-kinesiology/docs/athletic-therapy-enhanced-major-form1.pdf>

4) After submission of all necessary documents to the University of Winnipeg admissions department, course equivalency will be evaluated. Please be aware only up to 60 credit hours of equivalent courses may be transferred from other post-secondary institutions. Courses in progress will be added to your application once an official transcript is submitted.

4) After receipt of the list of transfer credits, students must consult with the Department of Kinesiology and Applied Health to determine which courses match the list of 60 credit hours of required courses and determine what additional courses may be required:

BIOL-1112(6) Human Anatomy and Physiology

KIN-1101(3) Introduction to Kinesiology

KIN 1601(3) Nutrition Health and Wellness

KIN-2105(3) Sport & Exercise Psychology

KIN-2202(3) Prevention and Care of Sport

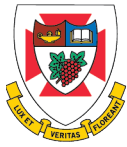

Injuries – **minimum B grade required**

KIN-2204 (3) Human Physiology ^a

KIN-2301(3) Human Anatomy – **minimum B grade required**

KIN-2304(3) Scientific Principles of Fitness and Conditioning – **minimum B grade required**

KIN-3201(3) Biomechanics

KIN-3209(3) Motor Learning & Development

KIN-3505(3) Pathology in Sport Medicine

RHET-XXXX(3) Academic Writing ^b

Statistic requirement ^c

Research methods requirement ^d

12 credit hours Humanities requirement

3 credit hours Indigenous requirement

^aPre-requisite to KIN 3106 Exercise Physiology.

^bStudents who have the Academic Writing Requirement waived will need to take a NON-KIN elective in its place.

^cSTAT-1301(3) Statistical Analysis I OR STAT-1501(3) Elementary Biological Statistics I OR PSYC-2101(3) Intro to Data Analysis.

^dPSYC-2102(3) Intro to Research Methods OR SOC-2126(3) Introduction to Research Design and Qualitative Research.

Enhanced Major Requirements

For Fall admission, the Enhanced Major Form must be submitted by **AT LEAST** January 31st of the intake year (see recommendation above). Required courses should be completed prior to the April 1 deadline. Courses completed in the Winter term prior to Fall admission are eligible, but Spring/Summer are not. Once admitted to the Athletic Therapy program, students will change their major to the 4 year BSc - Athletic Therapy. Students who do not receive admittance to the Athletic Therapy program are free to change their major.

Students are encouraged to complete the Athletic Therapy program on a full-time basis.

Along with the Enhanced Major Form, the applicant needs to have completed the following:

1. **Course Assessment** - Successful completion of the prescribed 60 credits hours.
2. **GPA** - Minimum GPA of 3.0 with a regular status admission.
3. **Experience and Abilities** - Students must indicate their previous university/college experience as well as other skills that are relevant to a career in athletic therapy.
4. **Personal Letter** - Students must indicate in the personal letter why they want to become an Athletic Therapist and what their perception of what the profession entails.
5. **Reference Letter** - Submit at least one professional letter of support (preferably by a supervisory athletic therapist or other health care provider or an academic mentor).
6. **Valid certification** - Standard First Aid - Red Cross or equivalent, and Basic Life Support must be completed prior to beginning classes in the Athletic Therapy program.

Previous practical experience is considered in the admissions process but is not credited towards the practical hours required in the program.
