CKRL Radio Station Interview

Dr. Dunnington was featured last month on CKRL Radio Station in Quebec, sharing her work in early childhood at University of Winnipeg.

Fun fact: CKRL Radio Station is the first public francophone radio station in Canada. The host who interviewed Dr. Dunnington is the very same host who led the station's first ever broadcast in 1973.

The episode was on June 19th and you can access it here:

Canadian Association for Young Children

Dr. Dunnington contributed a mini blog to the Canadian Association for Young Children's mini blog project. It is called *Pay Attention* and can be accessed here:
