DEV STUDIES CAFE INFORMATION

Our Dev Studies Cafe sessions provide a casual and interactive space for students to meet online and discuss a variety of topics. Attendance is not mandatory.

What happens in the Dev Studies Cafe?

- Your chance to ask questions about the program.
- Different agendas each month, including topics you would like to propose and discuss
- Open conversations with students and Dr. Catherine-Laura Dunnington, Assistant Professor, Education - Developmental Studies
- Picturebook of the Month

For more information, please see next page.

Requisites

⚠ PSYC-2200 or permission of the Director of Developmental Studies. - Must be completed prior to taking this course.

Course Description

This course focuses on the application of theory and research in child development. The course covers primarily theories and research relating to developmental periods before adolescence and discusses implications of these for the practitioner, parent, and professional working with both normally developing and special needs children.

Additional information

HYBRID ONLINE: Online + live components. Students must be available during the posted lecture times for live streaming and/or group interactions. Some components will also require independent online learning. High speed internet is mandatory. Section material is accessed via nexus.uwinnipeg.ca. All tests, midterm exams and live discussions will be held during the scheduled times at the discretion of the instructor. A device with a webcam (e.g., a smart phone or laptop) is required. There will be a mandatory Information Session held in-person on September 20, 2025. Please contact the department for further information.

Additional Course Fees

Fees listed here are in addition to general tuition and fees charged at registration.

Online Fee: \$24.75 per credit
